

# Ahmed AbdelRaouf ElGeidie CV

## PERSONAL DATA

Name Ahmad AbdelRaouf ElSharkawy ElGeidie  
DOB October 25, 1968  
Nationality Egyptian  
Social state Married and have two children  
Address Gastroenterology Surgical Center, Jehan St.,  
Mansoura, Dakahlia, 35516 Egypt  
Tel 00201005290111  
Fax 0020502214319  
URL <http://eg.linkedin.com/pub/ahmed-abdel-raouf-elgeidie/20/907/871>  
E-mail drarelgeidie68@hotmail.com

## EDUCATION:

- MBChB (*Excellent with honor*) Mansoura University, 1991.
- MSc General Surgery September 1997 (Mansoura University, Egypt). *Thesis: Prospective Randomized Study Comparing Endoscopic Injection Sclerotherapy & Endoscopic Variceal Ligation in Treatment of Bleeding Esophageal Varices.*
- MD General Surgery July 2004 (Mansoura University, Egypt). *Thesis: Gastro-esophageal reflux disease & Barrett's Esophagus: Role of Surgery.*

## MEMBERSHIP OF SCIENTIFIC SOCIETIES:

- Member of ESS (Egyptian Society of Surgeons) since 1997.
- Member of Laparoendoscopic Surgery Group of ESS, 1999.
- Member of ESLS (Egyptian Society of Laparoscopic Surgeons), 2007
- Member of IASGO (Formerly International Gastro-Surgical club) since 1998.
- Member of IHPBA (international hepato-pancreatic-biliary association) since 1999.
- Member of the scientific committee of EHPB (Egyptian hepato-pancreatic-biliary society) since 2000.
- Member of MMESA (Mediterranean and Middle East Endoscopic Surgeons Association) since 2007.
- Member of SAGES since 2011.
- Member of IFSO since 2012.

## EXPERIENCES

- Rotating internship Mansoura University Hospital: 1991 -1992
- One Year Registrar in Military Hospital: 1992-1993
- Resident Gastrointestinal Surgery and Endoscopy: 1994-1997

- Associate Lecturer of Gastrointestinal Surgery and Therapeutic Endoscopy in Gastrointestinal Surgical Center, Mansoura University:1997-2004
- Lecturer General Surgery, Gastrointestinal Surgery and Therapeutic Endoscopy and ERCP 2004 till September 2009
- Assistant professor of general and digestive surgery, faculty of medicine, mansoura university, Egypt since September 2009 till October 2014.
- Professor of General and abdominal surgery, Gastrointestinal Surgery Center, Mansoura Faculty of Medicine, Mansoura University, Egypt, since November 2014.
- Director assistant of Gastroenterology Surgical Center, Mansoura University since April 21, 2015 till June 2016.

### **CURRENT POSITION**

- Director of gastrointestinal surgery center, Mansoura University, since June 2016 till now.

### **ACTIVITIES**

<b>Day</b>	<b>Activities</b>
Saturday	Open and laparoscopic abdominal surgery as a first surgeon and assistant in the operating theater
Sunday	ERCP diagnostic and therapeutic
Monday	Scientific meeting, group meeting
Tuesday	Open and laparoscopic abdominal surgery as a first surgeon and assistant in the operating theater
Wednesday	Outpatient clinic, upper GI endoscopy, ERCP and lower GI endoscopy, surgical rounds and teaching of undergraduate students in general and abdominal surgery
Thursday	Follow up clinic and scientific meeting

- 2 Days Gastrointestinal Surgery: Laparoscopic and Open hepatobiliary surgery, bariatric surgery, upper gastrointestinal surgery, colorectal surgery, pancreatic surgery. Special interest in laparoscopic surgery (bariatric, biliary, antireflux, cardiomyotomy, colorectal resections)
- One Day: Therapeutic Endoscopy (gastroduodenoscopy and colonoscopy) and Outpatient Clinic
- One Day: ERCP Including Sphincterotomy and Stone Extraction, Stenting of malignant biliary strictures and Balloon Dilatation.
- Participation in surgical rounds and scientific meetings.
- Teaching of undergraduate on general surgery.
- Sharing in general surgery examination for undergraduate medical students (examiner and mark correction).

### **MAIN INTERSTS**

- Advanced laparoscopic surgery
- Bariatric Surgery
- Therapeutic endoscopy (upper, lower, and ERCP)

## **PARTICIPATION IN LOCAL CONFERENCES**

- 26<sup>th</sup> annual meeting of Egyptian society of surgeons, meridian, Cairo Feb 2008. Two presentations:
  - Technical difficulties in laparoscopic colorectal surgery (video session).
  - Laparoscopic common bile duct exploration (video session).
- Advanced laparoscopy workshop 26th annual meeting of Egyptian society of surgeons, Gastroenterology Surgical Center, Mansoura 18-19 Feb 2008
  - Trainer in hands-on-training on laparoscopic suturing techniques
  - Presentations: laparoscopic colorectal surgery (video presentation)
- Egyptian society of surgeons, hepatobiliary group, Port Saied 23-25 April 2008. Role of laparoscopy in management of common bile duct stones (speaker)
- 8th national congress of Mansoura GEC Port Saied August 2008
  - Precongress Workshop
  - Lithotripsy for common bile duct stones (speaker)
  - Laparoscopic common bile duct exploration (live operator)
  - Postcholecystectomy bile duct injury; interactive session (speaker)
- 7th annual meeting of the egyptian group of Laparoendoscopic surgeons, Cairo August 2008
  - Laparoscopic redo for recurrent GERD (speaker)
- 26th annual summer meeting of the Egyptian society of surgeons, Alex October 2008. Laparoscopic abdominoperineal resection (speaker).
- 12th International Congress of the Egyptian Hepato-Pancreato-Biliary Society Sharm Jan 2009. Postcholecystectomy bile duct injury; could we prevent (speaker)
- 27th annual meeting of Egyptian Society of Surgeons Feb 2009.
  - Endoscopic management of postoperative bile duct injuries; single center experience.
  - Laparoscopic choledochotomy (video session)
  - Laparoscopic cholecystectomy without bile duct injury (video session)
- 2<sup>nd</sup> annual meeting of the Egyptian group of hepatopancreaticobiliary surgery, Helnan Portsaid Portsaid April 22-24 2009. Methods of drainage of common bile duct after laparoscopic common bile duct exploration (video session).
- 2nd Alexandria Gastroenterology and hepatology conference 09122009 azoor alex. Speaker "Surgery for GERD in Morbid Obesity".
- 8th annual conference of the egyptian group for the study of gastrointestinal motility Nov 11-14 2009 ein sokhna. GERD and morbid obesity.
- 11th annual conference of colorectal surgery group of ESS, Sharm 17062009. Outcome of Pouch Surgery for Ulcerative Colitis
- 27th annual summer meeting ESS 30092009 helnan alex. Postcholecystectomy bile duct injuries clinical case discussion.
- Astra 14082009 portsa3eed. Pitfalls in management of ulcerative colitis
- ESLS 210210 Helton Ramsis. Is the use of T tube necessary after laparoscopic choledochotomy.

- Glaxo 24072009 ramada
- Mahalla 27122009. Prevention of postcholecystectomy bile duct injuries.
- Tanta 12062009. Case presentation of postcholecystectomy jaundice.
- 13th International Congress of the Egyptian Hepato-Pancreato-Biliary Society Hurghada Jan 2010. Gallstone disease; interactive session.
- 28th annual meeting of the Egyptian society of surgeons Feb 17-19, 2010 Cairo Egypt. Technique of laparoscopic common bile duct exploration (video presentation).
- 3rd annual meeting of the Egyptian group of hepatopancreaticobiliary surgery, Helnan Portsaid May 20-21, 2010. Laparoscopic pancreaticoduodenectomy; preliminary work (video presentation)
- 12th annual conference of the Egyptian group of colon and rectal surgeons, Sheraton Sharm El-Sheikh June 23-26, 2010. (participant)
- Workshop on laparoscopic cholecystectomy, GEC, Mansoura, Aug 2-3, 2010. Contraindications and conversion of laparoscopic cholecystectomy (lecture).
- 9<sup>th</sup> international conference of Egyptian Society of Laparoscopy Surgeons, Jan 20-22, Helton Ramsis, Cairo, Egypt. Participant.
- 14th International Congress of the Egyptian Hepato-Pancreato-Biliary Society Hurghada Feb 2011. Single incision laparoscopic cholecystectomy; video session.
- 4<sup>th</sup> annual meeting of heptopancreatobiliary group of ESS Port Saied June 29, 2011. Single incision laparoscopic cholecystectomy a simplified technique; video session.
- 29<sup>th</sup> annual meeting of Egyptian society of surgeons, Porto Marina Oct 6-8, 2011. Single session management of gallbladder stones and common bile duct stones; video session.
- 9<sup>th</sup> congress of laparoendoscopic group of Egyptian society of surgeons, porto sokhna dec 1-3, 2011. Intraoperative complications of laparoscopic colorectal surgery (video session).
- 15<sup>th</sup> international congress of the Egyptian hepatopancreatobiliary society Luxor feb 9-12, 2012. Laparoscopic dissection in pancreaticoduodenectomy. Chairperson of two session (acid related disorders and....)
- 30th annual conference of Egyptian society of surgeons. Cairo Feb. 29, 2012. (postcholecystectomy bile duct injuries; interactive session - role of laparoscopy in obstructive jaundice)
- 5th annual meeting of heptopancreatobiliary group of ESS Port Saied April 25-27, 2012. Two presentations (1. Laparoscopy for obstructive jaundice, 2. Laparoscopic sleeve gastrectomy)
- Laparoscopic surgery after 25 January. Cairo International Convention and Exhibition Center April 19 2012. Laparoscopic low anterior resection
- 7<sup>th</sup> annual Mansoura gastroenterology surgical center conference Nov 14-16, 2012. Hitting two birds with one stone
- 8<sup>th</sup> Mansoura Annual Conference of Hepato-Gastroenterology. Mansoura Medical Syndicate from April 3-5, 2013. Panelist in the session named clinical cases in Gastroenterology

- ESLS conference January 10, 2013, Helton Ramsis, Cairo; two presentations (intraoperative ERCP, and intraoperative complications of sleeve gastrectomy)
- 31<sup>st</sup> annual conference of Egyptian society of surgeons, April 11, 2013, Meridian pyramids, Cairo. Presentation (how to do laparoscopic cholecystectomy safely).
- 16<sup>th</sup> international congress of the Egyptian hepatopancreatobiliary society, February 2013 Hurgada, Egypt. (Interactive session about prevention and management of bile duct injuries)
- 8<sup>th</sup> Mansoura Annual Conference of HepatoGastroenterology April 3-5, 2013 panelist in the session named clinical cases in gastroenterology. Mansoura Medical Syndicate.
- 31<sup>st</sup> annual summer meeting of Egyptian Society of Surgeons Oct 3-5, 2013 Helton Palastine Alex. How to avoid complications of Laparoscopic cholecystectomy; interactive session.
- 15<sup>th</sup> annual conference of the Egyptian group of Colon and rectum surgery Oct 23-25, 2013. Savoy hotel, Sharm ElSheikh, Egypt. Video presentation laparoscopic low anterior resection; step by step technique.
- 32<sup>nd</sup> annual meeting of ESS April 16-18, 2014. Meridein Pyramids Hotel, Giza, Egypt. Video presentation (laparoscopic pancreaticoduodenectomy; posterior approach).
- 2<sup>nd</sup> regional meeting of Egyptian society of surgeons in collaboration with Damietta society of surgeons. Updates in surgery May 29-30 elhekma club ras elbar, dometta, (complications of gallstones)
- 10<sup>th</sup> ESBS congress, Dusit Thani Lake View September 16-19, 2014 Cairo, Egypt (ORAL PRESENTATION; The effect of the size of the residual gastric antrum on the outcome of laparoscopic sleeve gastrectomy; a prospective randomized trial).
- 33<sup>rd</sup> annual meeting of ESS Oct 27-28, 2014 Helnan Palastine, Alex, Egypt (ORAL PRESENTATION; Laparoscopic gastric plication; towards standardization)
- ESS colorectal group Sept 2-5, 2015 Stella Di Mari, Ein Sokhna, Suise, Egypt (ORAL PRESNETATION; Laparoscopic intersphincteric resection)

#### **PARTICIPATION IN INTERNATIONAL CONGRESSES:**

- 16<sup>th</sup> world congress of International association of Surgeons and Gastroenterologists, 2006, Madrid, Spain. Secondary Antireflux Surgery (speaker).
- 8<sup>th</sup> world congress of OESO, 2006, Avignon, France. Secondary antireflux surgery (Poster presentation).
- 14<sup>th</sup> UEGW, Oct 2006, Berlin, Germany. Participant
- 17<sup>th</sup> Annual Congress of the pan Arab Association of Surgeons, Sept 2007, Alex, Egypt. Exploration of the common bile duct (speaker).
- 15<sup>th</sup> UEGW, Oct 2007, Paris, France. Self expanding metal stents for palliation of malignant dysphagia. A Abdelraouf, M Abdel-Wahab (Poster presentation).
- 7<sup>th</sup> MMESA conference, Dec 2007, Hurghada, Egypt. Participant

- OESO 9<sup>th</sup> world congress, Apr 2008, Monaco, France. Revision fundoplication; A single center experience. N. Gad El Hak, A. Abd El-Raouf, T. El Shahawy, E. Hamdy, and O. Fathy (Poster presentation)
- 16<sup>th</sup> UEGW, 2008, Vienna, Austria. Role of Endoscopic retrograde cholangio-pancreatography in management of postoperative bile duct injuries. Ahmed Abdelraouf, Gamal El-Ebeidy, Mohamed El-Shobary, Tharwat Kandil, Tarek Salah, Emad Hamdy (Poster presentation).
- Laparoscopic hepatic master class. March 16-17 2009 at Covidien European training centre, Elancourt, France.
- 23<sup>rd</sup> Congress of the Syrian Society of Gastroenterology. April 15-17, 2009 Dedeman Hotel, Damascus, Syria. Outcome of pouch surgery for ulcerative colitis; single center experience.
- 17<sup>th</sup> UEGW, November 2009, London, England. (participant).
- IASEL 11092006. Oral presentation. Predictors Of Liver Fibrosis And Cirrhosis In Postcholecystectomy Bile Duct Stricture.
- The American Gastroenterological Association (AGA) Institute educational activity titled Midgut Disorders: Food intolerance, diarrhea, GIST, obscure GI bleeding, May 13, 2010 Marriot Hotel, Cairo (participant).
- 12th World Congress of Endoscopic Surgery, SAGES Annual Scientific Session & Postgraduate Course: April 14-17, 2010, Landover, MD (outside Washington, DC) oral presentation S020; is the use of T-tube necessary after laparoscopic Choledochotomy?
- Aleppo Syria April 20-24, 2010, Oral Presentation “redo surgery for failed antireflux surgery”
- 18<sup>th</sup> UEGW, October 2010, Barcelona, Spain. Accepted abstract “preoperative versus intraoperative endoscopic sphincterotomy for management of common bile duct stones” P 1021
- 20<sup>th</sup> World congress of the international association of surgeons, gastroenterologists and oncologists (IASGO) October 20-23, 2010 Cairo International Convention and Exhibition Center (CICEC), Cairo, Egypt. Oral presentation (Laparoscopy for advanced colorectal cancer)
- 8th Pan-Arab Gastroenterology Conference & the 11th SGA Conference 8-10 Feb. 2011 in Saudi Arabia – Riyadh. Accepted poster abstract (Preoperative Versus Intraoperative Endoscopic Sphincterotomy for Management of Common Bile Duct Stones).
- 19<sup>th</sup> EAES congress of laparoscopic surgery, Torino Italy 15-18 June 2011. Two accepted abstract; 1. Intraoperative ERCP versus laparoscopic common bile duct exploration for management of common bile duct stones (oral presentation), 2. Single incision laparoscopic cholecystectomy using harmonic scalpel (poster presentation).
- 20<sup>th</sup> EAES congress of laparoscopic surgery, Brussels Belgium 20-23 June 2012. Oral presentation (is LCBDE possible without choledochoscopy?)
- 10th world congress of international hepatopancreatic biliary association, Paris France July 1-5, 2012. Two papers (1. outcome of fluoroscopically guided LCBDE in 214 Egyptian patients; Poster presentation. 2. Single incision laparoscopic cholecystectomy; video presentation)

- SAGES 2013, April 17-20, 2013 Baltimore convention center, Baltimore, Maryland, USA. Two oral presentations (S001. Is laparoscopic common bile duct exploration feasible without choledochoscopy?. S099. Laparoscopic exploration versus intraoperative sphincterotomy for management of common bile duct stones)  
*(My paper, "Laparoscopic common bile duct exploration versus intraoperative sphincterotomy for Management of Common Bile Duct Stones: A Prospective Randomized Trial" was judged by SAGES 2013 peer review selection process to be considered as one of the best submissions. It was accepted to be featured as part of SAGES online CME educational library, specifically SAGES University (<http://university.sages.org/>). SAGES University offers self assessment credit courses which are applicable towards fulfilling Part 2 of the American Board of Surgery Maintenance of Certification program).*
- 21th EAES Congress of laparoscopic surgery, Vienna, Austria June 2013. Oral presentation (Intraoperative ERCP for management of common bile duct stones)
- 3<sup>rd</sup> Congress of ECCO – Inflammatory Bowel Diseases 2008. Feb 28 – March 1, 2008 in Lyon/France. Poster presentation ‘Outcome of Pouch surgery for ulcerative colitis; single center experience’ N GadEl Hak, A Abdel Raouf, O Fathy, G El-Ebdidy, T Salah, M El Hemaly
- IFOS European Chapter Brussels, Belgium, April 30 – May 3, 2014. Oral presentation (laparoscopic gastric plication; towards standardization)
- 3<sup>rd</sup> annual conference of the Egyptian chapter of the American college of surgeons, National training institute September 9, 2014 Cairo, Egypt (Laparoscopic pancreaticoduodenectomy using posterior approach with pancreaticogastrostomy *ORAL PRESENTATION*)
- 14<sup>th</sup> world congress of endoscopic surgery (hosted by and incorporating 22<sup>nd</sup> EAES international congress, Paris, France June 24-28, 2014)
- 14<sup>th</sup> IFSO Congress, August 26-30, 2014, Montreal, Quebec, Canada
- 2<sup>nd</sup> GOSS Annual conference, December 10-13, 2014, Dubai, UAE (Oral presentation; Sleeve gastrectomy for leaking plication)
- SAGES 2015, April 17-20, 2015 Gaylord hotel and convention center, Nashville, Tennessee, USA. Poster presentation (is the use of choledochoscopy necessary for laparoscopic common bile duct exploration?)
- EAES 2015, June 2015 Bucharest, Romania (oral presentation)
- IFSO 2015 26-26 August Hofburg Imperial Palace (*ORAL PRESENTATION* Laparoscopic gastric plication is effective for low BMI patients)
- SAGES 2016

## **TRAINING COURSES**

- Laparoscopic hepatic master class. March 16-17 2009 at Covidien European training centre, Elancourt, France.
- Advanced laparoscopic suturing and hiatus hernia repair workshop January 18-19 2009 at the learning resource center Kasr Al-Ainy Faculty of Medicine, Cairo University.

- Clinical course on advanced laparoscopic colorectal surgery. May 10-12, 2009 at Alexandria, Alexandria Endoscopy Association (ALEXEA) in collaboration with department of surgery, faculty of medicine Alexandria University and surgery department, Regensburg University Germany.
- Clinical course on minimally invasive operating techniques in colorectal surgery on 27-28 October 2009 conducted at the learning resource center Kasr Al-Ainy Faculty of Medicine, Cairo University endorsed by European association for endoscopic surgery and other interventional techniques.
- Clinical course on single incision laparoscopic surgery, Nov 15-16, 2010 conducted at the Learning Resource Center (LRC) Kasr Al-Ainy Faculty of Medicine, Cairo University
- Master class, Bariatric Surgery, Covedien center at Stanboul, Turkey, Nov 25-26, 2014.
- Endo-live Amsterdam December 2015
- Clinical immersion on advanced laparoscopic colorectal surgery, Prof A Lacy, Barcelona, Spain between June 3-5, 2015
- Clinical immersion on advanced bariatric surgery, Prof Pragar, Vienna, Austria between Oct 24-27, 2016
- Laparoscopic and endoluminal bariatric and metabolic surgery; advanced course, IRCAD, Strasbourg, France November 30 till December 2, 2017
- Advanced laparoscopic digestive surgery course, IRCAD, Strasbourg, France December 14 – 17, 2017

#### **LOCAL MEETINGS**

- Participation in the 10<sup>th</sup> course in Mogamaa Aleman Mansoura, how to be an excellent GP. (Endoscopy for esophageal varices) April 30, 2010.
- Approach to biliary obstruction, Sherbin General Hospital, Feb. 2008
- Medical management of ulcerative colitis, Ramada Hotel, Mansoura, April 17, 2008
- GEC Club scientific meeting
  1. Medical management of Ulcerative colitis
  2. Surgical management of Ulcerative colitis
  3. Medical management of Crohn's disease
  4. Surgical management of Crohn's disease
  5. Diverticular disease of the colon
  6. Indications of splenectomy
  7. approach to gastrointestinal disorders (diarrhea)
  8. laparoscopic colorectal surgery
  9. Laparoscopic common bile duct exploration.
- Astra Zeneca meeting Ramada Hotel, Mansoura, July 01, 2010. Management of bleeding peptic ulcer.
- Astra Zeneca meeting Ramada Hotel, Mansoura, June 11, 2012. Surgery for GERD
- Mansoura international hospital meeting. Speaker of a presentation titled: laparoscopic colorectal surgery. March 21, 2013
- Dakahlia medical syndicate conference April 2013. Interactive session 'acid related disorders'

- The fourth Mansoura Oncology Workshop. Basic principles of laparoscopy. Mansoura International Hospital. Jan 22, 2014. Laparoscopic cholecystectomy and mentor for the workshop.
- The fifth Mansoura Oncology Workshop. Basic principles of laparoscopy. Mansoura International Hospital. April 3, 2014. Safe Laparoscopic cholecystectomy.
- Mansoura International hospital meeting. Speaker of a presentation titled . gastrointestinal anastomosis. April 9, 2015
- Mansoura International hospital meeting. Workshop operative case pancreaticoduodenctomy
- Shebin elkom teaching hospital operative cases sleeve gastrectomy and laparoscopic left hemicolectomy for diverticular disease of the colon (dates ...)

### HONORS AND PRIZES

- Shawky Kamal award for best research ESS 2006 “secondary antireflux surgery”
- Essam El-Sahwy Award for best research ESS 2007 “outcome of pouch surgery in ulcerative colitis; single center experience”
- One of 30 nominees of the best video in laparoscopic surgery Strasburg France “Fluoroscopically guided laparoscopic choledochotomy for impacted CBD stone”  
<http://award.websurg.com/votes/rank/php?doi=vd01enWSAW3102284>

### SUPERVISION

<b>Candidate</b>	<b>Thesis</b>	<b>Title</b>	<b>Supervisors</b>
Mohamed Abdel-Aziz	MS 2007 (Essay)	Different modalities in management of Hirschsprung's disease	Prof. Nabeih Anwar Dr Talaat Abdalla <b>Dr Ahmed Abdelraouf</b>
Youssef El-Mahdy	MD 2008 (Thesis)	Management of CBD stones; a comparative study between endoscopic therapy and laparoscopic technique	Prof. Omar Fathy Prof. Gamal El-Ebidy Dr Amgad Fouad <b>Dr Ahmed Abdelraouf</b>
Mohamed El-Desoky	MD 2009 (Thesis)	Laparoscopic anterior resection for rectal cancer	Prof. Gamal El-Ebidy Prof. Nabeih Anwar Dr Talaat Abdall <b>Dr Ahmed Abdelraouf</b>
Mostafa El-Faramawy	MS 2010 (Essay)	Laparoscopy for pancreatic diseases	Prof Gamal El-Ebidy <b>Dr Ahmed Abdel-Raouf</b> Dr Ehab Atef Abdel-Lattef
Tamer El-Moghazy	MD 2010 (Thesis)	Laparoscopic left hemicolectomy	
Mohammed Said Mahmoud Salim	MS 2011 (Essay)	Single incision laparoscopic surgery	Prof Talaat AbdAllah ElShahawy <b>Dr Ahmed AbdelRaouf ElGeidie</b> Dr Emad Hamdy

Mohamed Attia	MS 2013 (Thesis)	Fast track colorectal surgery	Prof Mostafa AbuZeid Dr Ahmed A ElGeidie
Kareem zein	MSc thesis (2018)	Sleeve vs minigastric bypass short term outcome	Ahmed Elgeidie Emad Hamdy Ahmed Nabih

### DISCUSSION BOARD

Thesis	candidate	Title	Date of discussion
MSc general surgery	Ashraf Yehia	natural orifice transluminal endoscopic surgery; the current status	Feb 23, 2010
MSc general surgery	Mohamed Hamed Elsaied	Colorectal emergencies; 10 years experience	Nov 25, 2010
MSc general surgery	Ahmed Mohamed Attia	Management of thumb injuries	2012
MSc general surgery	Saieed	Complications of laparoscopic versus open cholecystectomy a prospective study	Jan 16, 2014
MSc general surgery	Ahmed Zaied	Updates in management of gastric carcinoma	March, 2014
MSc general surgery	Mahmoud elghonimy	Prospective randomized comparative study between synchronous ERCP and LC and early LC after ERCP for management of cholecystocholedocholithiasis	June 2015

### MISCELLANEOUS

- BOOKS
  - Editor of an international book titled ‘Updated Topics in Minimally Invasive Abdominal Surgery’, ISBN 978-953-307-773-4, published by InTech (<http://www.intechopen.com/books/show/title/updated-topics-in-minimally-invasive-abdominal-surgery>)
- COURSE DIRECTOR
  - Director of 1<sup>st</sup> Mansoura Laparoscopy Course, Gastroenterology Surgical Center, Mansoura University, Egypt. Basic laparoscopic skills and suturing techniques.
  - Director of 2<sup>nd</sup> Mansoura Laparoscopy Course, Gastroenterology Surgical Center, Mansoura University, Egypt. Basic laparoscopic skills. Oct 30-Nov 1, 2014
- EDITORIAL BOARD MEMBER
  - A member of the World Journal of Gastrointestinal Endoscopy Editorial Board. Number ID: 00058053. Date of First Term of Editorial Member Starting Date:2014-01-01 Ending Date:2017-12-31

- An Editorial Board Member/Reviewer of the Austin Journal of Gastroenterology since April 1, 2014. Austin Journal of Gastroenterology is an open access, peer reviewed, scholarly journal dedicated to publish articles related to original and latest advancement of in the field of Gastroenterology.
- Member of the journal of surgery Editorial board since 2014
- PEER REVIEWER
  - Reviewer for journal of Egyptian society of surgeons since October 2014
  - Peer-reviewed of the following papers:

## 2006

TITLE	AUTHORS	JOURNAL
Resectability and Prognostic Factors after Resection of Hilar Cholangio-carcinoma.	M Abdel Wahab, O Fathy, N Elghwalby, A Sultan, E Elebidy, T Abdalla, M Elshobary, M Mostafa, A Foad, T Kandeel, A Abdel Raouf, T Salah, M Abu Zeid, A Abu Elenein, N Gad Elhak, A ElFiky, F Ezzat.	Hepatogastroenterology 2006; 53: 5-10.
Endoscopic variceal ligation by detachable snare versus esophageal transaction for bleeding esophageal varices.	Basha AM, Safwat K, AbdElraouf A.	Zag University Med Journal 2006; 12(4): 3746-58
Self expanding metal stents for palliation of malignant dysphagia.	AbdElraouf ElGeidie, Ahmed; Abdel-Wahab, Mohamed; Gad El-Hak, Nabil; Fathy, Omar.	Journal of clinical gastroenterology 2006; 40: S163-S220 (Special Issue of the 8th World Congress of OESO Avignon, September 3–6, 2006 Oral, Video and Poster Sessions)

## 2007

Secondary antireflux surgery.	Ahmed AbdElraouf.	Egyptian Journal of Surgery 2007; 26: 5-14
Normal variation of anorectal manometry among the Egyptian population.	Nabil GadEl Hak, Mohamed El-Hemaly, Tarek Salah, Ahmed Abd El-Raouf, Magdy Haleem, Hala Hamed.	Arab J Gastroenterol 2007; 8(2): 53-56
Bile reflux measurement and its contribution to the severity of reflux esophagitis.	GadEl-Hak Nabil A, El-Hemaly Mohamed, Hamdy Emad, AbdElraouf Ahmed, Mostafa Mohamed, Haleem Magdy.	The Saudi journal of gastroenterology 2007; 13(4): 180-186
Self expanding metal stents in palliation of malignant dysphagia.	ElGeidie AR, Basha AM.	Zag University Med Journal (special issue) 2007: 11(14): 274-282

## 2008

Quality of Life and Patient Satisfaction 3 Months and 3 Years after Laparoscopic Nissen's Fundoplication.	Emad Hamdy, Ahmed Abd El-Raouf, Mohamed El-Hemaly, Tarek Salah, Ehab El-Hanafy,	The Saudi Journal of Gastroenterology 2008; 14(1): 24-28
---	---	--

Acid and bile reflux in erosive reflux disease, non-erosive reflux disease and Barrett's esophagus.	Mohamed Mostafa, Nabil GadEl Hak. Nabil GadEl Hak, Mohamed Mostafa, Tarek Salah, Mohamed El-Hemaly, Magdy Haleem, Ahmed Abd El-Raouf, Emad Hamdy.	Hepato-Gastroenterology 2008; 55 (82-83): 442-447
216 cases of pancreaticoduodenectomy: risk factors for postoperative complications.	Omar Fathy, Mohamed Abdel Wahab, Nabeih Elghawalby, Ahmed Sultan, Gamal El-Ebidy, Nabil GadEl Hak, Mostafa Abu Zeid, Talat Abd-Allah, Mohamed El-Shobary, Amgad Fouad, Tharwat Kandil, Ahmed Abo Elenin, Ahmed AbdElraouf, Emad Hamdy, Ahmed Mohamed Sultan, Farouk Ezzat.	Hepato-Gastroenterology 2008; 55 (84): 1093-1098
Outcome of pouch surgery for ulcerative colitis; single center experience.	Ahmed AbdElraouf, Mohamed El-Hemaly, Tarek Salah, Emad Hamdy, Omar Fathy, Nabeih Anwar, Ahmed Sultan.	EJS 2008; 27(2): 87-93
Outcome of pouch surgery for ulcerative colitis: single center experience.	El-Raouf AA, Hak NG, Fathy O, El-Ebidy G, Salah T, El-Hemaly M.	Hepatogastroenterology. 2008 Nov-Dec;55(88):2130-4.
<b>2009</b>		
Laparoscopic choledochotomy.	Ahmed AbdElraouf.	Egyptian Journal of Surgery 2009; 28 (2):161-165
Response of atypical symptoms of GERD to Antireflux Surgery.	E Hamdy, T El-Shahawy, M El-Shobary, A AbdElraouf, M El-Hemaly, T Salah, E El-Hanfy, N Gadel-Hak.	Hepatogastroenterology 2009; 90 (56): 403-406
Secondary antireflux surgery.	AbdElraouf ElGeidie A, Gadel-Hak N, Fathi O.	Int J Surg. 2009 Feb;7(1):44-9.
<b>2010</b>		
Is the use of T-tube necessary after laparoscopic choledochotomy?	Ahmed Abdel-Raouf El-Geidie.	J Gastrointest Surg (2010) 14:844–848
Endoscopic management of postoperative bile duct injuries: a single center	Abdel-Raouf A, Hamdy E, El-Hanafy E, El-Ebidy G.	Saudi J Gastroenterol. 2010 Jan-Mar;16(1):19-24.

experience.

Self expanding metal stents in palliation of malignant dysphagia; outcome in 124 Egyptian patients.

Elsharkawy AA, El-Geidie AA.

Eur Arch Otorhinolaryngol. 2010 Jul;267(7): 1123-7

## 2011

Preoperative versus intraoperative endoscopic sphincterotomy for management of common bile duct stones

Ahmed A. ElGeidie, Gamal K. ElEbidy, Yussef M. Naeem

Surg Endosc (2011) 25:1230–1237

Laparoscopic exploration versus endoscopic sphincterotomy for common bile duct stones

El-Geidie AA, El-Shobary M, Naeem Y

Digestive surgery (28)5-6:424-31

Laparoendoscopic Management of Concomitant Gallbladder Stones and Common Bile Duct Stones: What is the Best Technique?

Elgeidie A

Surg Laparosc Endosc Percutan Tech 2011;21:282–287

Pelvic floor dyssynergia: Efficacy of biofeedback training

Gadel Hak N, El-Hemaly M, Hamdy E, El-Raouf AA, Atef E, Salah T, El-Hanafy E, Sultan A, Haleem M, Hamed H.

Arab J Gastroenterol. 2011 Mar;12(1):15-9. Epub 2011 Feb 24.

Surgical management of gastric gastrointestinal stromal tumour: single center experience

El-Hanafy E, El-Hemaly M, Hamdy E, El-Raouf AA, El-Hak NG, Atif E.

Saudi J Gastroenterol. 2011 May-Jun;17(3):189-93.

Post-cholecystectomy biliary injuries: one center experience.

Fathy O, Wahab MA, Hamdy E, Elshoubary M, Kandiel T, Elraof AA, Elhemaly M, Salah T, Elhanafy E, Atef E, Sultan AM, Elebiedy G, Anwar N, Sultan A.

Hepatogastroenterology. 2011 May-Jun;58(107-108):719-24.

## 2012

New Technique of Clipless Laparoscopic Cholecystectomy

A ElGeidie

Surgical science 2012, 3, 310-313

Caudate Lobe Resection with Major Hepatectomy for Central Cholangiocarcinoma: Is it of Value?

Wahab MA, Sultan AM, Salah T, Fathy O, Elebiedy G, Elshobary M, Shiha O, Rauf AA, Elhemaly M, El-Ghawalby N

Hepatogastroenterology. 2012 Mar-Apr;59(114):321-4

Single incision laparoscopic cholecystectomy using harmonic scalpel

Elgeidie A

J Surg Res. 2012 Jul;176(1):50-4

Solitary rectal ulcer syndrome: new hope for the patients	Mohamad El-Hemaly, Ahmed El Geidie, Emad Hamdy, Aymen El-Nakeeb, Ehab El Hanafy, Ehab Atef, Ahmad Sultan, Tharwat Kandil	Egyptian Journal of Surgery Vol. 31, No. 1, January 2012
Laparoscopic Heller myotomy for achalasia: analysis of successes and failures	Nabil gad elhak, Emad Hamdy, Talaat Abdalla, Tharwat Kandel, Ahmed Abdelraouf, Moahmed Elhemaly, Tarek Salah, Ehab Elhanafy	Hepatogastroenterology 59;117 (2012) 1450-4
<b>2013</b>		
Stapler Malfunction during laparoscopic sleeve gastrectomy	Ahmed ElGeidie, Nabil GadelHak, Talaat Abdalla	Surgery of Obesity and Related Disease. 2013 Jan-Feb;9(1):144-6.
Pancreatic Anastomotic Leakage after Pancreaticoduodenectomy. Risk factors, Clinical predictors, and Management (Single Center Experience).	El Nakeeb A, Salah T, Sultan A, El Hemaly M, Askr W, Ezzat H, Hamdy E, Atef E, El Hanafy E, El-Geidie A, Abdel Wahab M, Abdallah T.	World J Surg. 2013 Mar 15.
Pancreatic cystic neoplasms: Predictors of malignant behavior and management.	Ehab Atef, Ayman El Nakeeb, Ehab El Hanafy, Mohamed El Hemaly, Emad Hamdy, Ahmed El-Geidie	Saudi Journal of Gastroenterology 2013; 19(1):45-53
Laparoscopic Gastric Plication in Obese Egyptian Patients: Technique and Initial Short-term Outcome	Ahmed A ElGeidie, and Nabil Gad ElHak	Surgery Curr Res 2013, 3:5
2014		
Laparoscopic gastric plication; technical report	ElGeidie A, GadElHak N	Surgery for obesity and related disease <b>2014 Jan-Feb;10(1):151-4</b>
Single-session minimally invasive management of common bile duct stones	ElGeidie A	World J Gastroenterol 2014 November 7; 20(41): 15144-15152
The Effect of Residual Gastric Antrum Size on the Outcome of Laparoscopic Sleeve Gastrectomy; a Prospective Randomized Trial	Ahmed ElGeidie, Mohamed ElHemaly; Emad Hamdy; Mohamed El Sorogy, Mohamed AbdelGawad, Nabil GadElHak M	Accepted for publication at surgery for obesity and related disease at December 2014
Laparoscopic excision of benign multicystic peritoneal mesothelioma	Ahmed El Geidie, Hosam Hamed, Ahmed Shehta	The Egyptian Journal of Surgery (Egypt J Surg) 2014   October-

## 2015

Laparoscopic Bile Duct  
Clearance Without  
Choledochoscopy.

ElGeidie A, Atif E,  
Naeem Y, ElEbidy G.

Surg Laparosc Endosc  
Percutan Tech. 2015  
Oct;25(5):e152-5.  
SLEPT OCT 2015

Laparoscopic common bile  
duct exploration without  
choledochoscopy

Ahmed Elgeidie, Ehab  
Atif, Gamal Elebidy

Intraoperative endoscopic  
retrograde cholangio-  
pancreatography: a useful tool  
in the hands of the  
hepatobiliary surgeon.

El Nakeeb A, Sultan  
AM, Hamdy E, El  
Hanafy E, Atef E, Salah  
T, El Geidie AA, Kandil  
T, El Shobari M, El  
Ebidy G.

World J Gastroenterol. 2015  
Jan 14;21(2):609-15

## 2016

Pancreatic gastrointestinal  
stromal tumor: A case report.

Elgeidie A, El-Magd EA,  
El-Maaty SRA, El-  
Hawary AK.

Int J Surg Case Rep.  
2016;29:67-70

Management and Outcome of  
Borderline Common Bile Duct  
with Stones: A Prospective  
Randomized Study.

El Nakeeb A, El Geidie  
A, El Hanafy E, Atef E,  
Askar W, Sultan AM,  
Hamdy E, El Shobary M,  
Hamed H, Abdelrafee A,  
et al.

J Laparoendosc Adv Surg  
Tech A. 2016 Mar;26(3):161-  
7..

## 2017

Intraoperative ERCP for  
management of  
cholecystocholedocholithiasis.

Elgeidie A, Atif E,  
Elebidy G.

Surg Endosc. 2017  
Feb;31(2):809-816.
