2. Advising/Mentoring

2014 - Present	American College of Physicians (ACP) Mentor Program I have advised the following young physicians who would like to pursue their residency training in the United States - Amit LDC Jain, MD - Kalaimani Elango, MBBS - Mayuri Mudgal, MD
6/2015	Supervisor of medical students – Department of Preventive Medicine, Northwestern University Feinberg School of Medicine,

- the Chicago Department of Public Health, community-based organizations, and several federally qualified health centers in the city of Chicago. Supervising medical students participating in Keep Your Heart Healthy (KYHH) community outreach program and teaching the participating medical students how to accurately measure blood pressure screening and cardiovascular risk reduction counseling to KYHH participants using the American Heart Association's Life's Simple 7® as a guide.
- 10/2015 – 5/2017 Mentor for Young Nephrology Mentoring Program International Society of Nephrology (ISN)
- 5/2017 - Present International Society of Nephrology (ISN) Mentorship Program
- 6/2016 – 7/2016 Clinical teaching and observership mentor, Multi-Organ Transplant Center, William Beaumont Hospital, Royal Oak, Michigan
- I have mentored and provided advice the following international physicians who would like to pursue their residency training in the United States by create teaching curriculum and work with them in several clinic research studies and preparation for our studies to be presented in international scientific meetings. I also provided them teaching experiences by inviting them to give lecture in the topics of their interest in Transplant Grand Rounds.
- Wasawat Vutthikraivit, MD
 - Weera Sukhumthamarat, DDS, MD
 - Prapaipan Putthapiban, MD
 - Haritha Reddy Mopuru, MBBS
- 7/2016 Research mentor for Pharmacy resident William Beaumont Hospital, Royal Oak, Michigan
- Kristen Wallskog, PharmD
- 8/2016 Research mentor in Capstone/Embark projects for medical students Oakland University William Beaumont School of Medicine, Rochester, Michigan
- Ms. Kellyann Gomes - Class of 2019
 - Mr. Austin Fan - Class of 2019
 - Mr. Nathan Luke - Class of 2020

RESEARCH/GRANTS

1. Grants

Travel grants for attending scientific meetings

- 4/2010 Recipient of the sponsorship program in the Internal Medicine and Pediatric Trainees Program at the National Kidney Foundation (NKF)'s 2010 Spring Clinical Meetings in Orlando, FL.

- 11/2011 Travel support award to attend the Annual Meeting at American Society of Nephrology (ASN) Kidney Week 2011 in Philadelphia, PA.
- 6/2012 Conference Scholarship award
The 16th International Conference on Renal Nutrition & Metabolism (ICRNM) 2012 in Honolulu, HI
- 9/2013 Travel grant award to attend the American Society of Transplantation (AST) Fellows Symposium in Grapevine, TX.
- 11/2013 Travel support to attend the 2013 Geriatric Nephrology: Patient-Centered Care for Elderly Patients with Chronic kidney disease (Geriatric Early Program), the Annual Meeting at American Society of Nephrology (ASN) Kidney Week 2013 in Atlanta, GA.
- 11/2014 Travel support to attend Nephro-Pharmacology Across the Spectrum of Kidney Diseases, the Annual Meeting at American Society of Nephrology (ASN) Kidney Week 2014 in Philadelphia, PA.

Research grants

- 7/2015 Northwestern Medicine Enterprise Data Warehouse (NMEDW) Pilot Data Program competition grant for a research project title *“Incidence and Outcomes of Renal Artery Stenosis in Kidney Transplantation”*
- 6/2017 - Present Research Fund for Fellowship in Medical Education (FME), Oakland University William Beaumont School of Medicine

Ongoing Research study

- 12/2016 – Present Study site co-investigator
A Phase 3, Multicenter, Randomized, Open-label, Active-controlled
Study to Assess the Efficacy and Safety of Maribavir Treatment Compared to Investigator-assigned Treatment in Transplant Recipients with Cytomegalovirus (CMV) Infections that are Refractory or Resistant to Treatment with Ganciclovir, Valganciclovir, Foscarnet, or Cidofovir
- 9/2016 – Present **Tantisattamo E**, Loftus S, Smith J. Attitude toward Kidney Transplantation: Exposure to Knowledge for End-Stage Renal Disease Patients before Referral to Kidney Transplant Center
- 4/2017 - Present

Preventive Project

- 3/2017 - Present Study investigator
Referral and Access to Weight Control Program before and after Kidney Transplantation

Presented at the Finalist of the 2017 Innovations in Health Care Awards at the Champion of Hope Tribute Dinner on April 25, 2017.

2. Professional

- 7/2007-8/2007 Volunteer - International Relations Department, Faculty of Medicine, Siriraj Hospital, Mahidol University, Bangkok, Thailand.
I coordinated an elective educational program for medical students from Saint George's University, Grenada in the West Indies visiting Siriraj Hospital.
- 3/2015-5/2015 Volunteer - American Society of Transplantation (AST) Trainee and Young Faculty Community of Practice (TYF COP) Mentoring workgroup during the 2015 American Transplant Congress (ATC), Philadelphia, Philadelphia.
- 8/2015 Public review and comment on the Kidney Disease Improving Global Outcomes (KDIGO) Fabry Conference preliminary scope of work document in preparation for a Controversies Conference on Diagnosis and Management of Patients with Fabry Nephropathy which was held October 16-18, 2015 in Dublin, Ireland.
- 9/2015 Content & Faculty suggestions for American Society of Nephrology (ASN) Kidney Week 2016, November 15–20 in Chicago, Illinois.
- 9/2015 Public review and comment on the Kidney Disease Improving Global Outcomes (KDIGO) Controversies Conference on Complement-Mediated Kidney Diseases which was held November 19-21, 2015 in Barcelona, Spain.
- 11/2015 Public comments on the KDIGO Hep C Guideline Update Scope of Work. Kidney Disease Improving Global Outcomes (KDIGO)
- 1/2016 Public comments on the Gitelman's Scope of Work document for the Kidney Disease Improving Global Outcomes (KDIGO) Controversies Conference
- 2/2016 Public comments on the Proposed Scope of Work for Kidney Disease Improving Global Outcomes (KDIGO) Clinical Practice Guideline for the Evaluation and Management of Candidates for Kidney Transplantation
- 6/2016 American Society of Transplantation (AST) Trainee and Young Faculty Community of Practice (TYF COP) Website and Blog
- 6/2016 Volunteer - American Society of Transplantation (AST) Trainee and Young Faculty Community of Practice (TYF COP) Mentoring workgroup during the 2016 American Transplant Congress (ATC), Boston, Massachusetts.
- 11/2016 Public comments on the KDIGO Controversies Conference on Advanced CKD
- 2/2017 Public comments on the KDIGO HIV-Related Kidney Diseases Scope of Work
- 2/2017 Public comments on the Clinical Practice Recommendation for Palliative Care in Chronic Kidney Disease in Thailand 2017
- 3/2017

6/2017 Public comments on the KDIGO 2017 Clinical Practice Guideline on the Prevention, Diagnosis, Evaluation and Treatment of Hepatitis C in CKD
Public comments on the preliminary Scope of Work documents for KDIGO Controversies Conference on Blood Pressure in CKD

7/2017 Submitted a suggested proposal “Nutrition in Chronic kidney Disease and Transplantation” for Core Symposium to the American society of Nutrition (ASN) 2018

Topics

1. Renal Nutrition in Chronic Kidney Disease
2. Why is Nutrition Essential in Kidney Patients?

8/2017 Public comments on the preliminary Scope of Work documents for KDIGO Controversies Conference on Glomerular Diseases

3. Public

8/2008 – 10/2008 Adult volunteer, The Queen’s Medical Center, Honolulu, Hawaii

2010-2012 Volunteer - National Kidney Foundation of Hawaii, Honolulu, Hawaii.

I provided screening tests for chronic kidney disease as well as education and counseling regarding early prevention of chronic kidney disease in Kidney Early Detection Screening (KEDS) program.

11/2013 Volunteer - American Kidney Fund (AKF) and American Society of Nephrology (ASN), Atlanta, Georgia.

I provided counseling for people who participated for chronic kidney disease screening and educating early prevention of chronic kidney disease on Kidney Action Day.

9/2015 Volunteer - National Kidney Foundation of Michigan, Ann Arbor, Michigan.
I participated in facilitating of 2015 Annual Kidney Walk of Michigan.

4. Oakland University William Beaumont School of Medicine

8/2015 - Present Morning rounds in the multidisciplinary meetings including medical student retaining in transplant elective, surgical residents, transplant surgical attending, transplant hepatology attending, pharmacy resident, transplant pharmacist, and transplant nurse practitioners.

2/2016 – Present Teaching medical students who rotates in immunology at kidney transplant clinic.

2/2016 - Mr. Ray Borda - Class of 2016

10/2016 - Ms. Stacy Boroski-Willner - Class of 2017

3/2017 - Ms. Vaishnari Premkumar - Class of 2017

4/2017 - Ms. Angela Peraino - Class of 2017 (Indianapolis)

4/2016 - Present Transplant Grand Rounds speakers: Presenting transplant-related topic reviews and interesting cases

6/2016 - Present Clinical teaching supervisor - Creating and supervising visiting physicians for kidney transplant curriculum - Multi-Organ Transplant Center, William Beaumont Hospital, Royal Oak, Michigan.

7/2016 - Present Screening applications and interviewing candidates (personal and team interview) for medical school admission, Oakland University William Beaumont School of Medicine

8/2016 Kidney transplantation lecture in 2016 Renal/Urinary course. Lecture about introduction to kidney transplantation for the second year medical students Oakland University William Beaumont School of Medicine

8/2016 End-Stage Renal Disease Patient Panel discussion in 2016 Renal/Urinary course for the second year medical students Oakland University William Beaumont School of Medicine

8/2016 Designed part of the exam questions for midterm examination for Kidney Transplantation topic in 2016 Renal/Urinary course for the second year medical students Oakland University William Beaumont School of Medicine

1/2017 Teaching Infectious Disease fellow who rotates in kidney transplant clinic.

- Valida Bajrovic, MD - Class of 2017

- Enas Alsharekh, MD – Class of 2017

1/30/17 Lecture in Internal Medicine Noon Conference: Kidney Transplantation for Internist for medical residents Oakland University William Beaumont School of Medicine

3/2017 – 4/2017 Reviewer for Capstone Mini-Manuscript Scholarship Competition of the third year medical students, Oakland University William Beaumont School of Medicine

- 8/2017 Kidney transplantation lecture in 2017 Renal/Urinary course. LECTURED ABOUT INTRODUCTION TO KIDNEY TRANSPLANTATION FOR THE SECOND YEAR MEDICAL STUDENTS OAKLAND UNIVERSITY WILLIAM BEAUMONT SCHOOL OF MEDICINE
- 8/2017 Recommended a kidney transplant patient for End-Stage Renal Disease Patient Panel discussion in 2017 Renal/Urinary course for the second year medical students Oakland University William Beaumont School of Medicine
- 8/2017 Designed part of exam questions for midterm examination for Kidney Transplantation topic in 2017 Renal/Urinary course for the second year medical students Oakland University William Beaumont School of Medicine

5. University of California, Irvine School of Medicine

- 1/2018 Nephrology Journal Club
Overview and Medical Management for Kidney Transplantation
Wednesday, January 3 and 27, 2018, Division of Nephrology and Hypertension, Department of Medicine, University of California, Irvine Medical Center
- 4/2019 Invited Lecture. Urology Grand Rounds.
Renovascular Hypertension: Evaluation and Management in 2019
Monday, April 1st, 2019. Department of Urology, University of California, Irvine Medical Center.
- 4/2019 Renal Grand Rounds.
Journal of Antibody in Kidney Transplantation.
Monday, April 22nd, 2019. Division of Nephrology, Hypertension, and Kidney Transplantation, Department of Medicine, University of California, Irvine Medical Center.
