

C.V., SHORT BIOGRAPHY, AND RESEARCH INTERESTS

Dr. Jose Luis Turabian

- Born in Madrid, Spain, in 1955.
- Degree in Medicine and Surgery (MD). Complutense University. Madrid.
- Doctor in Medicine (PhD). Complutense University. Madrid.
- Specialist Family and Community Medicine. Complutense University. Madrid.
- Graduated In Decentralisation and Participation (Community Involvement in Health). Centre for Development Studies. University College of Swansea. Wales. United Kingdom. 1990.
- Course International Services Administration. University of Havana. Cuba. 1990.
- International Course in General Practice. St. Mary Hospital. London. United Kingdom. 1991.
- Diploma In Medical Education. University of Dundee. United Kingdom. 1992-1993.
- Family Doctor in the Health Center Industrial Park. Toledo. Spain.
- Tutor of Residents of Family Medicine.
- From 1995 to 2003 Member of the Committee of Experts and the Editorial Board of the Journal JANO. Medicina y humanidades. ISSN-e: 0210-220X. <http://www.jano.es/>
- From 1996-2002 Editor of the Journal HUMANA. ISSN: 1138-0187-Sociedad Española de Medicina de Familia y Comunitaria, semFYC. <https://dialnet.unirioja.es/servlet/revista?codigo=2452>
- Professor of numerous training courses in Family Medicine.
- Author or co-author of more than 300 publications, in medical journals.
- Author of the books of Family Medicine (https://www.amazon.co.uk/Books-Jos%C3%A9-Luis-Turabian/s?rh=n%3A266239%2Cp_27%3AJos%C3%A9+Luis+Turabian):
 - *Apuntes, esquemas y ejemplos de Participación Comunitaria en la Salud.
 - *Cuadernos de Medicina de Familia y Comunitaria.
 - *Actividades Comunitarias en Medicina de Familia y Atención Primaria.
 - *Educación Médica. Manual práctico para clínicos. Madrid: Editorial Médica Panamericana; 2009. (Several Chapters).
 - *Cuentos de fantasmas para aprender medicina de familia. Haciendo conscientes los métodos para gestionar la incertidumbre en medicina de familia.
 - *Modelos de atención centrada en el “acompañante” del paciente. La familia y el contexto: en el borde de la relación médico-paciente en medicina de familia.
 - *The Family Doctors: Images and Metaphors of the Family Doctor to Learn Family Medicine.
 - *Relatos clínicos musicales de medicina de familia. Desarrollando las capacidades humanísticas de los médicos de familia mediante el arte.
 - *Fables of Family Medicine. A collection of fables that teach the Principles of Family Medicine.

RESEARCH INTERESTS

- Family medicine
- Epidemiology
- Mental health
- Morbidity
- Continuity, variability, context
- Cycle Family life and Genogram. Family
- Psycho-Social Factors
- Interview and doctor-patient relationship
- Tools Diagnostic and therapeutic decisions.
- Teaching and training
- Drugs and Family Medicine
- Qualitative research
- Medical Humanities: History of Medicine, Bioethics, Philosophy, History, Religion, Arts, medical Epistemology, medical Education, medical Sociology, medical Anthropology, health Economics, Policy health, medical communication, cultural studies

PUBLICATIONS IN JOURNALS IN THE PAST 5 YEARS

2.014

- Journey to what is essentially invisible: Pyschosocial aspects of disease. Semergen. Marzo 2014;40:65-72. Semergen. 2014;40:65-72.
- Reflexiones sobre el presente y el futuro de la medicina de familia. Gac Sanit. Gac Sanit.2014;28:259.
- The odysseys of Ulysses. A study of tales in a normal working day of the family doctor in Paraguay, Mexico, Peru, and Spain. Aten Primaria. Febrero 2014;46:68-76.
- Del lado de allá y del lado de acá. ¿Qué pueden aprender mutuamente los países emergentes latinoamericanos y España para mejorar sus perfiles del médico de familia? Rev Clin Med Fam. Vol. 7. Núm. 1 - 01 de febrero 2014
