

Curriculum Vitae

Pulmonologist

Date of C.V. : 21 August 2021

I. Personal information

Name: Attapon Surname: Cheepsattayakorn

Nationality: Thai

Sex: Male

Working Place :

**10th Zonal tuberculosis and Chest Disease
Center (Director and Consultant in
Respiratory Medicine)**

**143 Sridornchai Road Changklan Muang
Chiang Mai 50100 Thailand**

Telephone: 66-53-276364

Fax : 66-53-273590

**Department of Disease Control, Ministry of
Public Health, Thailand**

ATTAPON CHEEPSATTAYAKORN. M.D

**Thivanont Road Muang Nonthaburi 11000
Thailand (Senior Expert-Highest Level
11/Special and Consultant in Respiratory
Medicine)**

**5th Office of Disease Prevention and
Control (Director and Consultant in
Respiratory Medicine)**

**123/202 Petchakasem Road Na-Muang
District Muang Ratchaburi 70000 Thailand
Telephone : 66-32-310761, 66-32-310762, 66-
32-310763**

Fax : 66-32-310766

**Department of Internal Medicine, Faculty
of Medicine, Western University, Thailand**

**Home Place: 531 Lumphun Road Nonghoi Muang
Chiang Mai 50000 Thailand
Telephone: 66-53-803212**

E-mail address: Attapon1958@gmail.com

II. EDUCATION

**DOCTOR OF MEDICINE : CHIANG MAI
UNIVERSITY, CHIANG MAI, THAILAND, 1986
FELLOWSHIP AND MEMBERSHIP DIPLOMAS:**

: Diploma of Fellowship of the Royal College of
Physicians (of London, FRCP code #137051,
Election on 1 May 2007 and admitted on 18
July 2007)

: Diploma of Fellowship of the Royal College of
Physicians of Edinburgh (FRCP (Edin) # 07950,
Election on 30 November 2005 and Private
Admission on 20 March 2006)

: Diploma of Fellowship qua Physician of the
Royal College of Physicians and Surgeons of

ATTAPON CHEEPSATTAYAKORN. M.D

Glasgow (FRCP(Glasg) # 40663, Election on 8 November 2005 and Admission on 22 March 2006)

:Diploma of Fellowship of the American College of Chest Physicians (FCCP#214605, Election and Induction on 4th November 2001)

:Diploma of Fellowship of the American College of Physicians(FACP# 01229290, Election on 1st January 2004 and Induction on 22nd April 2004)

:Diploma of Membership of the American College of Physicians-American Society of Internal Medicine (2003,ACP-ASIM# 01229290)

:Diploma of Fellowship of the Royal College of Physicians of Thailand (FRCP(T) # 2765, Election on 8th September 2003 and Admission on 25th April 2004)

:Certificate of Leadership Training in Tuberculosis Program Management , Japan Research Institute of Tuberculosis,Japan International Cooperation Agency (2002)

THAI BOARD DIPLOMAS:

Preventive Medicine (Public Health Science)

**: July,2010,Unrestricted board certification
number: 11943/2553**

Family Medicine :July , 2001 , Unrestricted

board certificate number : 2992/2544

General Practice :July , 1992 , Unrestricted

board certificate number : 5858/2535

Radiology :April , 1991 , Unrestricted

board certificate number : 4895/2534

III. MEDICAL LICENSURE

Medical licensure, unrestricted, Medical Council of Thailand,
license number : 13341, issued on April 1, 1986

IV. ACADEMIC HONORS AND AWARDS

**Regional Adviser for Thailand, Royal College of Physicians
of Edinburgh, United Kingdom (2019-2024)**

**Gold Medal Award (First-Class Honor) from the Chiang
Mai University Medicine School Alumni Association for
Cerebrating the 60th Anniverasy of the Chiang Mai
University Medical School, Chiang Mai, Thailand (2019)**

**Reviewer for the Journals of the Royal College of Physicians
(R.C.P.) of London (U.K.)**

**Diploma of Fellowship of the Royal College of Physicians of
London (U.K.)**

**Diploma of Fellowship of the Royal College of Physicians of
Edinburgh (U.K.)**

**Diploma of Fellowship qua Physician of the Royal College of
Physicians and Surgeons of Glasgow (U.K.)**

**Diploma of Fellowship of the American College of
Physicians (U.S.A.)**

**Diploma of Fellowship of the Royal College of Physicians of
Thailand**

**Diploma of Fellowship of the American College of Chest
Physicians (U.S.A.)**

**Certificate of Honorary Membership of the Japan Research
Institute of Tuberculosis**

V. EDUCATION – TEACHING

Medical School:every year , Tuberculosis management and
control and related chest diseases, Faculty of
Medicine , Chiangmai University for foreign
medical students and Residents

ATTAPON CHEEPSATTAYAKORN. M.D

Continuing Education: every year, Tuberculosis management and control and related (Teaching and Supervision chest diseases for Physicians paramedical personnels in Regional/General/Community Hospitals in upper northern region in Thailand

Teaching – Lecture : every year, Tuberculosis management and control , for visiting Physicians and paramedical personnels from United States, Canada, England, Scotland, Australia,Austria,China,Japan,Indonesia,Malaysia, India,Bangladesh,Vietnam,Cambodia, Myanmar, Laos, Pakistan and many other countries

VI.GRADUATE STUDENTS/POSTDOCTORAL FELLOWS WORKING UNDERSUPERVISION OR TO BE EXAMINED BY OR CO-INVESTIGATED OR COOPERATED WITH DR.ATTAPON CHEEPSATTAYAKORN FOR THEIR HIGHER DEGREES.

1. Ms. Priyaporn Saenkard , postgraduate student ,4 months (October 1998 – March 1999) for research project “ Inventory Control Analysis of Tuberculosis Medicine for the Office of Communicable Disease Control , Region 10 , Chiangmai” for Master degree in Statistics , Faculty of Science, Chiangmai University ,Chiangmai ,Thailand
2. Ms. Pojamarn Siriarayaporn, MD, M.P.H., 1 year (September, 1998 – September, 1999) for research project “ The impact of HIV on prevalence and trend of Tuberculosis in Thailand” for Doctoral degree in Epidemiology, University of London, United Kingdom
3. Mr. Surakit Khantharak , graduate student , 7 months (June, 1999 – January,2000) for research project “ Detection of

- Pneumocystis carinii in sputum and serum by nested PCR”
for Bachelor degree in Science (Medical Technology) , Faculty
of Associated Medical Sciences , Chiangmai University
,Chiangmai ,Thailand
4. **Mr. Sukkarin Chanwong , BSc (Medical Technology) , 2 years (May, 2000 – May, 2002) for research project “ Development of an in vitro assay for the evaluation of drug susceptibility of Mycobacterium tuberculosis” for Master degree of Science in Microbiology , Faculty of Medicine , Chiangmai University , Thailand**
 5. **Miss Prapaporn Khumdee, Miss Varaporn Supainn and Mr. Suthit Samerchaew , 1 year (June 1, 2002 - May 31, 2003) for research project "Cost - effectiveness analysis of Rifater + Ethambutol and Myrin-P for tuberculosis treatment" for Master degree in Public Health, Faculty of Medicine, Chiangmai University, Chiangmai, Thailand.**
 6. **Mr.Mana Tangthawornporn, BSc. (Pharmacy), MSc (Pharmacoeconomics), 2 years (April 2003 - April 2005) for research project "Pharmacoeconomics in Multidrug-resistant Tuberculosis Patients." for Doctoral degree in Social and Administrative Pharmacy (International.) , Faculty of Pharmacy, Chiangmai University,Chiangmai, Thailand.**
 7. **Mrs. Mattana Herber,BSc.(Nursing),2 years (2002-2004) for research project” Factors related to Drug Resistance among Tuberculosis Patients in Chiangmai Province “ for Master degree in Infectious Diseases and Epidemiology,Faculty of Public Health, Mahidol University, Bangkok, Thailand**
 8. **Ms. Tongparn Nguegngam,BSc.(Nursing),2 years (2002-2004) for research project” Tuberculous Infection Among Personnels at Maesot Hospital” for Master degree in**

- Nursing Science(Infectious Control Nursing), Faculty of Nursing, Chiangmai University,Chiangmai, Thailand.**
- 9. Mr. Winyou Puckdee,BSc.(Medical Technology),2 years(2003-2005) for research project" Apoptosis and Nitroblue Tetrazolium(NBT) Reduction Activity of Neutrophils infected with Mycobacterium Tuberculosis" for Master degree in Science(Microbiology), Faculty of Medicine, Chiangmai University, Chiangmai,Thailand.**
 - 10. Ms.Worawan Watcharasamphankul,BSc.(Medical Technology),2 years(2003-2005) for research project" Apoptosis of Macrophages from Tuberculosis and Normal Persons After Infecting with Mycobacterium Tuberculosis" for Master degree in Science(Microbiology),Faculty of Medicine, Chiangmai University, Chiangmai, Thailand.**
 - 11. Mr.Songriddh Phongthong ,B.Sc.(Bachelor of Science), 2 years (2004-2006) for research project " Production of Monoclonal Antibody to Specific Glycolipid of Mycobacterium tuberculosis" for Master degree in Science (Microbiology), Faculty of Medicine, Chiangmai, Thailand**
 - 12. Ms.Sutthisa Sommana,B.Sc.(Bachelor of Science in Geography (2008-2010) for research project " The Reemergence of Tuberculosis in Chiang Mai Province: A Geographical Analysis " for Master degree of Science in Geography, Faculty of Social Sciences, Chiang Mai University, Chiang Mai, Thailand**
 - 13. Ms.Alisa Jaisabai, B.Sc.(Bachelor of Science-Nursing), 2 years (2010-2012) for research project " Dust Exposure and Lower Respiratory Tract Function among intied Garlic**

and Shallot Workers” for Master degree in Public Health Science, Faculty of Medicine, Chiang Mai University, Chiang Mai, Thailand

14. Mr. Wit Jomwinya, B.Sc.(Bachelor of Science-Geography), 2 years (2010-2012) for research project “ Geographic Analysis

of Lung Cancer in Muang Lampang Distric, Lampnag Province “ for Master degree of Science in Geography, Faculty of Social Sciences, Chiang Mai University, Chiang Mai, Thailand

15. Ms. Patraratkul Silaparat, B.Sc. (Bachelor of Science-Geography), 2 years (2012-2014) for research project “ A Spatial Analysis of Pneumonia in the Elderly in Suphanburi Province ” for Master degree of Science in Geography, Faculty of Social Sciences, Chiang Mai University, Chiang Mai, Thailand

16. Ms. Nang Thiri Htwe, B.Sc. (Myanmar postgraduate student/Doctorate candidate), 2 years (2016-2018) for research project “ Evaluation of antiretroviral medication adherence counselling in Taunggyi, Southern Shan State, Myanmar ” for Doctoral degree in Social Science (ASEAN Institute for Health Development, Mahidol University)

VII. INSTITUTIONAL , DEPARTMENTAL AND DIVISIONAL ADMINISTRATIVE EXPERIENCE/RESPONSIBILITIES, COMMITTEE MEMBERSHIPS, AND OTHER ACTIVITIES

Academic Specialist Consultant of the National Health Foundation of Thailand, since 2004 (appointed on 19th May 2004).

Academic Committee of the Department of Disease Control of Thailand for preparation of the National Tuberculosis Control of Thailand, 2005 edition (appointed on 20th July 2004).

Academic Committee of the Department of Disease Control of Thailand for preparation of the National Tuberculosis and AIDS/HIV Integration Control Guideline, 2005 edition (appointed on 21st September 2004).

Academic Committee of the Anti-Tuberculosis Association of Thailand under the Royal Patronage of H.M. The King for preparation of the National Guideline for Tuberculosis diagnosis, treatment and management, 2005 edition (appointed on 16th February 2005), supported by the Global Fund to Fight AIDS, Tuberculosis and Malaria (Thailand).

WHO Expert in Occupational Lung Diseases and Tuberculosis (2017-Present)

VIII.ACADEMIC POST-DOCTORAL PROFESSIONAL FELLOWSHIPS AND SOCIETY MEMBERSHIPS

- 1. Fellow of the Royal College of Physicians of London (FRCP Code # 137051, 2007 to present)**
- 2. Fellow of the Royal College of Physicians of Edinburgh (FRCP (Edin)# 7950, 2005 to present)**
- 3. Fellow qua Physician of the Royal College of Physicians and Surgeons of Glasgow (FRCP (Glasg)#40663, 2005 to present)**
- 4. Fellow of the American College of Physicians (FACP# 01229290, 2004 to present)**
- 5. Fellow of the Royal College of Physicians of Thailand (FRCP(T)# 2765, 2004 to present)**
- 6. Member of the American College of Physicians- American Society of Internal Medicine (Member# 01229290, 2003)**
- 7. Fellow of the American College of Chest Physicians (FCCP# 214605, 2001 to present)**

ATTAPON CHEEPSATTAYAKORN. M.D

8. Fellow of the Royal College of Family Physicians of Thailand (FRCFPT# 233, 1999 to present)
9. Fellow of the Royal College of Radiologists of Thailand (FRCRT# 718, 1991 to present)
10. Honorary Member of the Research Institute of Tuberculosis , Japan Anti - Tuberculosis Association (Member# 1379012, 2002 to present)
11. Member of the Thai Society of Gerontology and Geriatric Medicine (1999 to present)
12. Member of the Thoracic Society of Thailand (Member# 327, 1997 to present)
13. Member of the Asian and Oceanian Society of Neuroradiology and Head and Neck Radiology (1997 to present)
14. Member of the General Practitioner / Family Physician Association of Thailand (Member# 397, 1992 to present)
15. Member of the Radiological Society of Thailand (1991 to present)
16. Member of the Preventive Medicine Association of Thailand (2010 to present)

IX. PRESENTATIONS AT NATIONAL MEETINGS

January 9-11, 2001, 2001 annual scientific meeting of the Thoracic Society of Thailand , Bangkok , Thailand , Sputum and blood Polymerase Chain Reaction for Pneumocystis carinii pneumonia detection.

X. PRESENTATIONS AT INTERNATIONAL MEETINGS

Poster Presentation : November 23-26 , 1998 , Global Congress on Lung Health , 29th World Conference of the International Union Against Tuberculosis and Lung Disease, IUATLD / UICTMR , Bangkok , Thailand , Community – based screening for tuberculosis in Northern Thailand using Mass Miniature Radiography.

Oral Presentation (Invited Overseas Speaker) :

- 1) **10th International Symposium on Respiratory Diseases and the American Thoracic Society in China Forum 2014, November 6th-9th, 2014, Shanghai, China**
- 2) **6th International Forum of Regional and Targeting Therapies for Cancer 2014, November 14th-16th, 2014, Shanghai, China**

XI. INTRAMURAL PRESENTATIONS

Formal presentation to the foreign medical students and foreign residents (joint action with Faculty of Medicine , Chiangmai University,Chiangmai,Thailand) , every year.

XIII.CLINICAL PRACTICE AND INTERESTS

CLINICAL PRACTICE:Consultant Physician, Respiriologist and Radiologist

INTERESTS: Chronic Obstructive Pulmonary Disease, Tuberculosis,Interstitial Pulmonary Disease,Diabetes Mellitus,Sleep Medicine,Pneumonia,HIV/AIDS,

Implementation of antituberculous fixed-dose combination drugs in the national tuberculosis control programme

XIV.RESEARCH INTERESTS

Multidrug-resistant tuberculosis patterns in HIV-infected patients

Nontuberculous mycobacterial infection in HIV– infected patients

Pharmacoeconomics in Multidrug-resistant tuberculosis management

HLA typing in tuberculosis patients

A Direct Antigen Immunoassay for M.tuberculosis (detection of lipoarabinomannan (LAM) in urine, serum and sputum)

Study of Pathogenic Organisms and Radioactive Substances in Natural Hot Spring in Chiangmai province and Northern Thailand

Production of Monoclonal Antibody to Specific Glycolipid of Mycobacterium tuberculosis

New Drugs and New Regimens in Tuberculosis Treatment

Moraxella catarrhalis pulmonary infection co-infected with HIV/AIDS

Ongoing Research(2010): Situation of Childhood Tuberculosis in Thailand: Fiscal year 2007-2009 (National Research)

XV. COMMUNITY ACTIVITIES EXPERIENCES

1. Anti – Tuberculosis campaign on the World Tuberculosis Day (March 24th) and in the Anti – Tuberculosis Week (in August) , joint action with the Anti- Tuberculosis Association of Thailand and the Thoracic Society of Thailand every year.

2. Tuberculosis Supervisor for physicians and medical personnel in northern Thailand

XVI. BIBLIOGRAPHY

Conference/Organizing Committee/Invited Keynote Speaker

1. Global Congress on Chronic Obstructive Pulmonary Diseases 2019, Rome, Italy, May 13-14, 2019, Theme “ Analyze The Progress Advanced Research in COPD ”
2. SciTech Immuno-Microbiology 2019, Dubai, UAE, June 19-20, 2019
3. 2nd European Congress on Vaccines R & D & Vaccination

**2019, Prague, Czech Republic, July 11-12, 2019, Theme “
Optimizing Vaccination Strategies for Control and
Elimination of Immunizing Infections”**

- 4. International Conference on Oncology and Virology
(Invited Keynote Speaking on “ Lung Cancer Screening
by
Low-dose CT Scanning ” , Bangkok, Thailand, December
13-
14, 2019)**
- 5. SciTech International Congress on Food Science 2020,
Bangkok, Thailand, July 1-2, 2020**

International Peer-Reviewer (1 December 2012-1 December 2014) for manuscripts for publication in the Journal :

“ American Journal of Infectious Diseases and Microbiology ”

(fully indexed in : CrossRef, WorldCat, JournalTOCs, E-Journal, J-Gate, GoogleScholar), ISSN (Print) :2328-4056, ISSN (Electronic) : 2328-4064, Editorial Board Members : Bernardino Roca, PhD, Professor, Hospital General and University Jaume I, Spain; Viswanath Ragupathy, PhD, Reseach Scientist, FDA, USA, Giorgio Fedele, PhD, Research Scientist, Department of Infectious, Parasitic and Immunomediated Diseases, Istituto Superiore di Sanita, Italy; Daniel Ruzek, PhD, Research Scientist, Academy of Sciences of the Czech Republic, Institute of Parasitology, Czech Republic; Dorothea Zahner, PhD, Faculty, Emory University School of Medicine, USA; Andrew Taylor-Robinson, PhD, Associate Professor, Central Queensland University, Australia; Maha Eissa, PhD, Professor, Faculty of Medicine, Alexandria University, Egypt; Jean-Pierre Louboutin, PhD, Associate Professor, University of West Indies, Mona, Jamica; Miguel A. Martin-Acebes, PhD, Post-doctoral Fellow, Centro de Biologia Molecular Severo Ochoa (CSIC-UAM), Spain; Publisher : Science and Education Publishing, 10 Cheswold Blvd., # 1D, Newark, De, 19713, USA; E-mail address : editor@sciepub.com; URL : <http://www.sciepub.com/journal/AJIDM>
For Manuscript Example Title :

1.) year 2012 : Nanoparticles from plant saponins as delivery system for mucosal influenza vaccine, manuscript ID number : 1001900002, authors :

Berezin V.E, Department of Virology, Institute of Microbiology and Virology, Ministry of Education and Sciences, Almaty, 050010, Kazakhstan, e-mail address : vladimirberezin@yahoo.com ; Bogoyavlenskiy AP, Laboratory of Antiviral Protection, Institute of Microbiology and Virology, Ministry of Education and Sciences, Almaty, 050010, Kazakhstan, e-mail address : anpav_63@mail.ru ; Turmagambetova AS, Laboratory of Antiviral Protection, Institute of Microbiology and Virology, Ministry of Education and Sciences, Almaty, 050010, Kazakhstan, e-mail address : aichyck@mail.ru ; Alexuk PG, Laboratory of Antiviral

Protection, Institute of Microbiology and Virology, Ministry of Education and Sciences, Almaty, 050010, Kazakhstan, e-mail address : pagenal@bk.ru ; Zaitceva IA, Laboratory of Antiviral Protection, Institute of Microbiology and Virology, Ministry of Education and Sciences, Almaty, 050010, Kazakhstan ; Omirtaeva ES, Laboratory of Antiviral Protection, Institute of Microbiology and Virology, Ministry of Education and Sciences, Almaty, 050010, Kazakhstan ; Abitaeva M, Laboratory of Antiviral Protection, Institute of Microbiology and Virology, Ministry of Education and Sciences, Almaty, 050010, Kazakhstan ; Sokolova NS, Laboratory of Antiviral Protection, Institute of Microbiology and Virology, Ministry of Education and Sciences, Almaty, 050010, Kazakhstan ; corresponding author : anpav_63@mail.ru
2) year 2013 : Pulmonary Infection with Mycobacterium Gordoniae in an immunocompetent patient : A Case Report.

International Peer-Reviewer 2012 for an article, entitled
“ The relevance of new drug combinations for modern tuberculosis treatment- a patent perspective ” for publication in the
“ Pharmaceutical Patent Analyst (fully indexed in : EMBASE, MEDLINE/INDEX MEDICUS,etc. , ISSN : 2046-8954(Print/Electronic), Senior Editors : Jones L (Pfizer, USA) & Rotella D (Montclair State University, USA), Commissioning Editor : Alexandra Sklan (Future Science Group, Future Science Ltd., London, United Kingdom), Publisher : Future Science Group, Future Science Ltd., Unitec House, 2 Albert Place, London, N3 1QB, United Kingdom, registered in England & Wales, No.: 4982360, VAT No. : GB 893 6723 76, Tel : +44 (0) 208 371 6090, Fax:+44(0)2083432313,E-mail address: a.sklan@futuremedicine.com, a.sklan@future-science.com , URL : www.future-science.com

International Peer-Reviewer 2010 for an article, entitled
“ Relationship between Toll-like Receptor 8 Gene Polymorphisms
and Pediatric Pulmonary Tuberculosis ” (DMA0987) for publication
in the “ **Disease Markers** ” (fully indexed in Index Medicus,
MEDLINE, PubMed), ISSN: 0278-0204 (Print), 1875-8630

Guest Editor-2012/2013

**for Special Issue, theme “ Newly Advanced Diagnostics
in Tuberculosis ” of the Journal “ Recent Patents on**

Biotechnology ” , Publication date: December 2012, indexed

in : Chemical Abstracts, Scopus, MEDLINE/PubMed, EMBASE, EMBiology, Cambridge Scientific Abstracts (CSA), METADEX, Genamics Journal/Seek, MediaFinder-Standard Periodical Directory, PubsHub, and J-Gate.

Guest Editor-2014

For Special Issues of the Journal “ Recent Patents on Anti-Infective Drug Discovery ” , themes :

1.)“ Novel Compounds, Drugs,Therapeutic Approaches, and Related Patents for Tropical Infectious Disease ” , Tentative Publication Date : October 2014

2.) “ Novel Compounds, Drugs,Therapeutic Approaches, and Related Patents for Dengue Disease ” ,

Tentative Publication Date : November 2014

Indexed in : CAB Abstracts, Chemical Abstract, Scopus, MEDLINE/PubMed, EMBASE, Cambridge Scientific Abstracts (CSA), METADEX, JournalSeek, MediaFinder®, Standard Periodical Directory, PubsHub, and J-Gate.

Chief Guest Editor-2017

For the Special Issue of the Journal “ American Journal of Public Health Research ”, Theme “ Tuberculosis and Respiratory Diseases Among Silica and Other Dust Exposed Workers ”

Tentative Publication Date : January 2018

Indexed in : Google Scholar, WorldCat, J-Gate, CNKI SCHOLAR, CrossRef, AcademicKeys, Bielefeld Academic Search Engine (BASE), JournalTOCs, Academia, Geneva Foundation for Medical Education and Research (GFMER), Computer Literature Index, Zeitschriftendatenbank (ZDB), Open Access Journals Search Engine, Elektronische Zeitschriftenbibliothek (EZB), Genamics JournalSeek, and Directory of Research Journals Indexing

Lead Guest Editor-2019

For the Special Issue of the Journal “ American Journal of Internal Medicine “, Theme “ Occupational and Environmental Lung Diseases : The Emergency Global Health Threats ”, Science Publishing Group, 548 Fasion Avenue, New Yor, New York, 10018, USA; URL : <http://www.sciencepublishinggroup.com/j/ajim>)

Continuing Medical Education :

ATTAPON CHEEPSATTAYAKORN. M.D

Name of Meeting , Course	Subject	Date	(*)
Annual Visiting , Teaching and Supervision Meeting for Physicians in Northern Thailand	Diagnosis , Management and Control of Tuberculosis and Lung Diseases	Every Febuary , September and November , 3 - 5 days per visit since the year 1992 to present	*
Annual Teaching for Nurse Students, Faculty of Nursing, Chiangmai University, Payap University, Ministry of Public Health of Thailand and Foreign Nurse Students, visiting to the 10 th Zonal Tuberculosis and Chest Disease Center, Chiangmai, Thailand.	Tuberculosis Control	All year rounds since the year 1992 to present.	*

Name of Meeting, Course	Subject	Date	(*)
Annual Teaching for Foreign Medical Students , Residents, Physicians, and paramedical students visiting the 10 th Zonal Tuberculosis and Chest Disease Center	Diagnosis , Management and Control of Tuberculosis and Lung Diseases	since the year 1992 to present	*
