Personal attributes

- ✓ **Effective Communication Skills:** Articulate communicator with appreciation for different communication styles required when working with team members or customers.
- ✓ **Honest and Reliable:** Strong morals and ethics ensuring honesty, reliability and ability to responsibly undertake tasks.
- ✓ **Flexible:** Understanding of the need for flexibility to support last-minute demands and changes. Comfortable with changing environments and situations, ensuring ability to remain flexible and adaptable.

- ✓ **Time Management:** Dedication to effective prioritisation and management of time by allocating tasks and recording activities in diaries and daily to-do lists.

Work experience

2015-2017 Griffith University/ Laboratory tutor Gold Coast/Australia
2015- current Griffith University/ PhD candidate Gold Coast/Australia

Achievements and Contributions

- **Client engagement:** recruited tens of participants in our clinical trials and encouraged them to contribute in such medical experiments which never been easy to undertake due to many undesirable activities such as blood collection.
- **Business Administration** as a PhD candidate and involved in clinical trials, contributed in managing time and keep a smooth scheduling to my research team members and tens of participants in our experiments.
- **Report Development:** Prepared reports following participants site visits and meetings. Accurately reported outcome of meetings while identifying tasks and activities that required follow up by participant or investigator.
- **Research:** Undertook extensive research to develop an understanding of various techniques and provide different proposals for future projects.
- **Business Development:** Contributed to reviews of research opportunities for sourcing new participants. Provided recommendations, including increased social media interaction, which were received positively.
- **Process Development:** Three-month every year tutoring and laboratory demonstrator. Providing technical information and support to students doing their degrees in Griffith University.

employment history

2002-2009 Ministry of health/ Medical Doctor Iraq
2009-2014 Almustansiriah university/Ass. Lecturer Iraq
2016-2018 Griffith University/ Tutor Australia
