

CURRICULUM VITAE

Associate Professor Adel W Ekladious

ekladiou@hotmail.com

0499 449 905

PERSONAL

Place of Birth Alexandria, Egypt
 Citizenship Australian
 Address 125/3 Darling Island Road
 Pyrmont NSW 2009
 Mobile 0499 449 905

EDUCATION

Tertiary

1968 - 1974 Faculty of Medicine, Alexandria University, Egypt
 1974 MBBS, Alexandria University, Egypt
 1980 Master's Degree in Medicine, Alexandria University, Egypt
 (Thesis: "Paroxysmal AF vs Chronic AF")

Postgraduate Training

1974 - 1980 Faculty of Medicine, Alexandria

Specialist Training Program

1991 - 1997 General Medicine, KOC Hospital, Kuwait (Included multiple rotations
 totaling two years at Royal Free Hospital and Hammersmith Hospitals, UK)
 1998 - 2000 Dunedin Hospital, New Zealand

FELLOWSHIPS

1997 MRCP (I) Member, Royal College of Physicians of Ireland
 2001 FRACP Fellow, Royal Australasian College of Physicians
 2002 FRCP (I) Fellow, Royal College of Physicians of Ireland
 2007 FRCP (Glasgow) Fellow, Royal College of Physicians of Glasgow
 2014 FACP Fellow, American College of Physicians
 2020 FRCP Fellow, Royal College of Physicians of London

MEMBERSHIPS

2018 Fellowship of BMJ
 2014 European Association for the Study of the Liver diseases (EASL)
 2011 International Academy of Lipids
 2004 Cardiac Society Australia and New Zealand
 2004 Society of Obstetric Medicine Australia and New Zealand
 2004 Internal Medicine Society, Australia and New Zealand
 2000 Gastroenterology Association New Zealand
 2000 New Zealand Association Neurologists
 1999 Australian Association of Neurologists
 1999 Thoracic Society of Australia & New Zealand
 1998 Member of the Stroke Academy of Neurology Australia
 1997 American Academy of Neurology

FACULTY POSITIONS HELD

2006 - present Clinical Associate Professor of Medicine, University of Western Australia
 2004 - 2006 Senior Clinical Lecturer, Faculty of Health and Medical Sciences, University
 of Western Australia

BOARD CERTIFICATION

1980 General Medicine and Hepatology

CURRENT LICENSES TO PRACTICE

Year commencing to present:

2001	Medical Board of Australia: Registration Specialist Physician (General Medicine); License No. MED0001550529
2001	AHPRA: Registration No. 1550529
2000	Medical Council of New Zealand
1998	Registration Internal Medicine, Medical Council New Zealand
1982	Specialist Registration, Egypt
1974	General Medical Registration, Egypt

POSITION IN OFFICE

2007 - 2010	Panel of Medical Board of Western Australia
-------------	---

EMPLOYMENT HISTORY

Short term positions

Feb 2022 - current	Senior Staff Specialist, Royal Hobart Hospital
Jan 2022 - Feb 2022 toria)	Locum Geriatric and Rehab as Senior Consultant (Bairnsdale Hospital Vic-
July 2021 - Dec 2021	Senior Consultant (General Medicine, South East Regional Hospital (SNSWLHD), Bega NSW 2550
2015 – 2016	Senior Staff Physician (General Medicine and Hepatology), Mackay Base Hospital, Mackay, QLD
2013 - 2015	Senior Staff Physician (General Medicine, Acute Assessment Unit and Hepatology) Wellington Hospital, Wellington, New Zealand
2011 - 2013	Senior Medical Specialist, (Director of Internal Medicine), Redland Hospital, Redland Bay, Queensland Director of the Stroke Unit, Director of the Liver Service, Director of Physician Training, Director of Medical Education, Introduced Style of acute assessment unit
2007 - 2010	Director of Medicine, Head of Department, Swan District Hospital, Western Australia
2003 – 2011	Senior Consultant Physician (Internal Medicine & Hepatology), Royal Perth Hospital and Swan District Hospital, Western Australia
1999 - 2003	Specialist Physician, Head of Liver Service, Grey Base Hospital, Greymouth, New Zealand
1998 - 1999	Senior Registrar, Dunedin Hospital, Dunedin, New Zealand
1983 – 1997	House Surgeon, Assistant Registrar, Registrar, Senior Registrar and Specialist Physician, KOC Hospital, Kuwait
1975 – 1982	Intern, Resident, Registrar, Alexandria University Hospital, Egypt

Long term locum physician

Dec 2018 – Mar 2020	Bunbury Hospital, Western Australia
Feb 2018 – Aug 2018	GV Health (introduced acute assessment unit), Shepperton, Victoria
Aug 2017 – Dec 2017	Geraldton Hospital, Western Australia

Short term locum physician from August 2016- 2017

- *Hospitals in New South Wales:* Queanbeyan Hospital; Kempsey Hospital; Grafton Base Hospital; Port Macquarie Hospital (Palliative care); Moruya District Hospital, Lismore Base Hospital

- *Hospitals in Victoria:* Mildura Base Hospital; Hamilton Hospital; Portland Hospital, Warrnambool base hospital
- *Hospitals in Queensland:* Gympie Hospital; Gladstone Hospital; Rockhampton Hospital
- *Hospitals in Western Australia:* Port Hedland Hospital

ACADEMIC POSITION

2018 – present	Examiner for University of Rural Melbourne
2007 – present	Examiner for Australasian College of Physicians
2006 – present	Clinical Associate Professor of Medicine
2005 – present	Active contributor to the bank of examination for the written section of the FRCP, Royal College Physician of Ireland (RCPI) and AMC
2005 – present	Examiner for Australian Medical Council (AMC)
2003 – present	Clinical Examiner for University of Western Australia
2003 – present	Local, regional, national and international examiner for the Royal College of Physicians of Ireland and Belfast

OTHER NON-CLINICAL APPOINTMENTS

2011 - 2013	Director of Medical Education, Director of Physician Training, Redland Hospital, QLD
2007 - 2010	Chairperson of the Drug & Therapeutic Committee, Swan District Hospital
2003 – 2011	Member, Infectious Disease Control Advisory Committee, Swan District Hospital, WA
2003 – 2011	Member, Virtual Cardiac Centre Editorial Advisory Board, Member of root cause analysis, Swan District Hospital, WA

TEACHING RESPONSIBILITIES

Students and inpatients in Royal Perth hospital affiliated with the University of Western Australia 2003-2014:

- *4TH year medical students:* regular teaching on history taking, interpretation of the history and physical examination of all systems
- *5th year medical students:* weekly round about the physical signs and interpretation (sign round); weekly tutorials in emergencies and common medical problems
- Bed side teaching, formal and informal, on and of patients
- Assignment of one patient to each student where they are responsible to present and follow up patient from admission to discharge
- Responsible for discharge summary
- Teaching ethics in medicine

Topics of lectures: communicating bad news to patients:

- Driving after syncope, heart attacks or generalized seizures
- Side effects of medications
- Consent before a procedure
- Sudden unexpected death in epilepsy (SUDEP)
- Chronic diseases and end of life plan
- Involvement of students in research and publication
- Presentation of updated guidelines
- Bedside teaching for patients with physical signs and present a short case with main focus on technique, of examination, finding the physical signs, interpretation of the signs and choosing the appropriate investigations
- Assessing student presentations of at least two long cases and providing updated guidelines from the literature

Outpatient medical clinic

- Teaching on focused history taking and physical examination of different organs
- Presenting physical signs
- Script writing
- Referral writing

Outpatient hepatology clinic

- Liver transplant, work-up, and follow-up
- Liver cirrhosis
- Alcohol abuse counselling
- Engaging in the multidisciplinary clinic for chronic hepatitis C and chronic alcoholic hepatitis

TIA clinic

- Mastering examination of the neurological system in 5 minutes
- High-risk TIA and follow up
- Describing different imaging modalities, especially DWI, ADC, Carotid doppler and Holter and CT perfusion under the stroke pathway

Rapid access clinic

- Teaching about how to follow up about blood results and imaging
- MOCK exam before the final exam of FRACP(On Saturday week end)
- Presentation of one long case weekly
- Decision-making regarding patient palliation
- Managing difficult patients
- Ensuring patients are the center of care
- Choosing the most appropriate investigations
- Solving conflicts in the work environment
- Clinical governance, open disclosure, teamwork and patient risk management
- Reporting adverse events
- Education during the long lockdown period of Covid
- Tutorials on stroke, general hepatology, general neurology, vasculitis, pulmonary hypertension, heart failure, acute medicine (my areas of interest)
- Supervising and mentoring students
- Examination of the end of year OSCEs
- Marking the written paper

2014 - 2015 Teaching medical students in Redland Hospital affiliated with University of Queensland

- Teaching students as above and examining at the end of the year
- Involving students in two audits:
 - Auditing patients who declined ICU care
 - Auditing patients' compliance in chronic disease clinics

2016 - 2017 Wellington Hospital affiliated with Otago University

- Involved in teaching and examination as above

2017 - 2018 GV health Victoria affiliated with Rural Melbourne University

- Introduced acute assessment and planning unit, teaching students about style of MAPU
- Acute medicine, involved in daily multidisciplinary allied health meetings
- Education on advanced care plan, ceiling of management for sick patients, and communication with patient and family

2019-2020 Bunbury hospital affiliated with University of Western Australia

- Supervising two students and mentoring one
- Limited exposure to patients with COVID as most teaching was on Zoom
- Grand Rounds
- Providing feedback on patient presentations from interns

Involvement in journal club

- **RMO:** concentrated on problem solving and prioritization priority (active and inactive clinical problems) and choosing investigations
- **Basic trainee registrars:** history taking, physical examination, flagging active and inactive medical problems and medical plans
- **Registrars sitting the written exams:** mock exam writing; weekly tutorials in my subspecialties which include hepatology, general neurology, stroke, heart failure, pulmonary hypertension and rare diseases
- **Registrars sitting the clinical exam:** Weekend mock exam; weekly short case session and unlimited long case presentation during the week
- Active participation in weekly Grand Rounds
- Reviewing and updating the clinical guidelines and policies in the hospital
- *Permanent positions:* supervision of two Registrars
- *Locum positions:* mentor for one Advanced Trainee
- *Training Senior Registrars to be ready for Junior Consultant*
- Introduced the interdisciplinary round in complex medical discharges, which involved the medical team, allied health and senior nursing staff, GP, and the career and family of the patient via telehealth
- Workshops
- 2007 Royal College of Physicians of Ireland workshop on new guidelines for TIA

November 2019 Speaker at the Western Australian Rural Physicians:

- Workshop on sepsis and peer review workshop

September 2016 (Redland Hospital): workshop on how to access stroke

June 2016 (Redland Hospital): workshop on acute fulminant hepatitis

March 2001 (Gray Base Hospital NZ): workshop on chronic hepatitis C

1997 KOC Hospital (Kuwait):

- 5 workshops for the MRCP candidates on mastering the short case and passing the exams

Lectures for Royal Perth Hospital teams and all staffs

Swan District Hospital, Fremantle Hospital (UWA)

- Ischaemic heart disease and lysis; Chronic hepatitis; Ehlers Danlos Syndrome Type 4; Genetic strokes
- Sickle cell disease and Moya Moya

Redland Hospital (Queensland): new trends in MUGS; Genetic ataxia

Wellington Hospital (NZ):

- Cerebellar syndrome; Pulmonary hypertension; Glycogen hepatopathy; Spontaneous cerebral bleed
- Familial myopathy; Approach to thrombocytopenia

GV Health (Victoria):

- Porto-pulmonary hypertension; Cirrhotic cardiomyopathy; Hepatopulmonary syndrome
- Hepatorenal syndrome; Liver, kidney and heart transplant in patients from NZ
- Sudden unexpected death in epilepsy

Bunbury Hospital:

- Intravascular lymphoma; Acute hepatitis E; Acute hepatitis D superimposed on chronic hepatitis B
- Approach to nystagmus; Neurocutaneous syndrome; Basophilic stippling; Lungs in systemic diseases
- Liver transplant in patients with chronic alcoholic hepatitis; Approach to ascites
- Apical ballooning syndrome; Homocysteine and stroke; non-pharmacological treatment for heart failure
- Carotid stenting and endarterectomy; Cerebral bypass in stroke; Update on limbic encephalitis
- Ataxia telangiectasia; Approach to hyponatremia; Update on Wilson disease
- Renal tubular acidosis; Bickerstaff encephalitis

March 2016 Mackay hospital (Queensland)

- Lecture on the surgical and the medical abdomen

2016 Audit for clinical hand-over

2015 November, Workshop Facilitator, Supervising Post Graduate Medical Trainees RACP, Mackay, 1 day workshop

2015 Audit for patients' satisfaction; Audit for GP's satisfaction; Audit for discharge summary and length of stay & supervisor, Intern & Registrar Training Programs, Mackay Base Hospital Junior Registrar Education Program, Basic Physician Training Pathway, Queensland Dept of Health

Memberships and other research

2014 European Association for the Study of the Liver

2009 RACP accredited Physician Educator

2005 Contributing Question Writer and Examiner, Royal College of Physicians of Ireland (Dublin, Belfast, Kuala Lumpur); Contributing Question Writer and Clinical Examiner AMC

2004 Local Panel Member, Clinical Examiner, Clinical Examinations, Royal Australasian College of Physicians (WA); Contributing Question Writer, FRACP Examinations, Royal Australasian College of Physicians

2003 Clinical Lecturer, Basic Physician Training Program, Royal Perth Hospital, Dept Health, Western Australia

2011 Reviewer of Published Textbooks, Medical Division, Royal Australasian College of Physicians; 2nd November- Peer Review Workshop, Royal Australasian College of Physicians; International Academy of Lipids

2010 27th November- Contributor, "Masterclass: Common Medical Problems in Clinical Practice", Bangsar Kuala Lumpur, Dept of Medicine Kuala Lumpur Hospital and Royal College of Physicians of Ireland.

2004 Cardiac Society Aust & NZ; Society of Obstetric Medicine Australia and New Zealand; Internal Medicine Society, Aust & NZ

2000 Gastroenterology Association NZ; NZ Association Neurologists

1999 Australian Association of Neurologist; Thoracic Society Aust & NZ

1997 American Academy of Neurology

CLINICAL RESEARCH AND TRIALS

Co-Investigator: Pegasys; Pegylated Interferon Alpha 2A (Ro25-8310) monotherapy and combination therapy with (Ro20-9963) in patients with chronic Hepatitis Protocol BV 16209. (New Zealand) 2001

Contributing Investigator: Chariot Trial; Induction dosing G/T1 (Chronic Hepatitis C)

Contributing Investigator: Seasons; South East Asian G/T1, 6, 7, 8 or 12 mths, (Chronic Hepatitis C)

Contributing Investigator: GET C, High viral load G/T3, (Chronic Hepatitis C)

Contributing Investigator: Albinterferon G/T1 Phase 2 Study, (Chronic Hepatitis C)

Contributing Investigator: HPV Gilead trial 0102, (Chronic Hepatitis B)

Contributing Investigator: HPV Gilead trial 0103, (Chronic Hepatitis C)

Contributing Investigator: CHARM Study, Cross section study of chronic hepatitis B subjects receiving anti-viral therapy

PATIENT APPRECIATION

- <https://www.careopinion.org.au/75326>
- See below:

From: [REDACTED]
Sent: Thursday, 30 July 2020 8:31 PM
To: Knight-Terlouw, Esther
Subject: Professor Ekladious, Emergency Department and Nursing Staff - Thank you re patient
[REDACTED]

Dear Dr Knight-Terlouw

I am writing this email to thank Professor Ekladious for the wonderful treatment and care that he provided my Father, [REDACTED] in connection with a recent hospitalisation.

Unfortunately my Father was diagnosed with decompensated cirrhosis. Professor Ekladious' extensive knowledge goes without saying, however what I would like to thank him for is his amazing compassion that he showed my father. His genuine concern for his well-being. In spite of what I should imagine is an extremely hectic schedule, Professor Ekladious still took the time to take my Mum and I off to a room on the side and he patiently answered all our questions in layman's terms explaining to us exactly what we should expect. I cannot explain in words how sensitive and lovely Professor Ekladious was with us all.

I am extremely grateful to Professor Ekladious, as well as the entire **amazing** team in the emergency department who have been **outstanding** on the several occasions that I have had to take both my parents there. I would also like to thank the nursing staff in both medical and surgical wards who also cared so well for my Father. Thank you to your very professional team - I am very grateful to them all.

Kind regards
[REDACTED]
