

**Bio data**

Name : Dr.Srimathi.T  
Age and date of birth : 50yrs /25.05.1972  
Sex : Female  
Designation : Associate professor  
Official address : Department of Anatomy  
SRMC&RI, Porur, Chennai  
Phone number : 7358441780  
E mail.ID : drtsanatsrmc@gmail.com

**Work Experience:**

**As Assistant Professor:** 6 years and 4months, SRMC&RI, Porur, Chennai

**Associate Professor:** 7 years, 10 months, SRMC&RI, Porur, Chennai

**U.G and P.G teaching:** 15 years

**Educational Quaification**

Degrees obtained	Year of passing	University
M.B.B.S	1995	Tamilnadu Dr.M.G.R Medical University, SRMC
M.D Anatomy	2008	Sri Ramachandra University,

**Responsibilities:**

- Teaching anatomy for medical and paramedical under graduate and post graduate courses.

- Mentor for a group of 25 I MBBS students
- External and internal examiner in both (Theory paper valuation and university practical) for various medical and para medical courses.
- Guide for MBBS students projects

### Research Experience

- Presented research papers in national and international conferences and won awards
- Published various scientific papers in National and International journals

### Professional membership:

- Life member –Society of clinical anatomist.
- Life member –Association of anatomist Tamilnadu.
- Life member-Anatomical Society of India

### Publications as Associate Professor 2015-2021

Sl.no	Title/paper	Journal	year	Authorship	Indexing
1	ThePalmar Dermatoglyphic PatternsInTypell Diabetes Mellitus Cases- A StudyIn South Indian Population	Biomedical and pharmacology jnl	2021	Corresponding	Scopus and UGC approved
2.	A Cadaveric Study of Radial Nerve course And Its Clinical Implication to Radial Nerve block at elbow	Journal of clinical and diagnostic research	2021	First and corresponding	Web of science
3.	Pierre Robin syndrome with patent ductus arteriosus	Journal of medical and scientific research	2022	First and corresponding	DOAJ
4	High division oof brachial artery –a case report	International jnl of scientific research	2022	Corresponding	UGC approved

### Publications as Assistant Professor 2008-2015

Sl.no	Title/paper	Journal	Enclosure	year	Authorship	Indexing
1	A study on Femoral neck ante version and its clinical correlation	Journal of clinical and diagnostic research	Copy of paper	2012	First and corresponding	Pubmed and web of science
2.	A study of the Radial nerve supply to the Human brachialis muscle and its clinical correlation	Journal of clinical and diagnostic research	Copy of paper	2011	First and corresponding	Web of science
3.	Clinical and Functional significance of Anomalous Insertion of the Brachialis into the Radial Tuberosity:	Journal of clinical and diagnostic research	Copy of paper	2012	Co-author	Pubmed and web of science
4.	A Study of he Accessory muscles in the Flexor compartment of the Forearm	Journal of clinical and diagnostic research	Copy of paper	2012	C0-author	Pubmed and Web of science
5.	A Cadaveric study of Sciatic nerve and its level of bifurcation	Journal of clinical and diagnostic research	Copy of paper	2011	C0-author	Web of science
6.	A study of sexual dimorphism in Femora of Rural population of south TamilNadu	Journal of clinical and diagnostic research	Copy of paper	2012	C0-author	Pubmed and Web of science
7.	The Anomalous Trunkus Brachiocephalic us and its clinical significance	Journal of clinical and diagnostic research	Copy of paper	2012	C0-author	Pubmed and Web of science

#### National/International Conference paper presentaions as Assoc.Professor

Year	Conference	National/International	Title of paper
2017	Society of clinical anatomists	National	A study of Femoral neck anteversion in Indian population
2018	Society of clinical anatomists	National	A comprehensive study of the effectiveness of large group lectures vs small group teaching in UG medical students
2019	Society of clinical anatomists	National	Complex congenital heart disease -A case report

2019	Malaysian anatomical association	International	Caudal regression syndrome-poster presentation
2021	ForAnsync-2021 Bharath institute of higher education and research	National	Analysis of triradius patterns in type 2 diabetes mellitus cases e-poster presentation
<b>2021</b>	ResNatcon-2021 Bharath institute of higher education and research		Sacral agenesis –A case report e-poster presentation
<b>2022</b>	Society of clinical anatomists conference	National	Patent ductus arteriosus with Pierre Robin syndrome
<b>2022</b>	68 <sup>th</sup> Natcon of ASI	National	A study on Radial nerve supply and its clinica correlation
<b>2022</b>	FASE 22	International	ATD and TDA angle of palm in Type 2 Diabetes Mellitus-A cross sectional study
<b>2022</b>	Chantcon 22	National	Septal defects of the heart and its embryology-Case series
<b>2022</b>	RICSS 22	National	Left atrial Myxome-clinical and echocardiographic findings-case report
<b>2023</b>	National conference on stem cell therapy and tissue engineering	National	Coarctation of aorta-a case report

**Additional Qualifications:**

1. Done Basic course in Medical education technology -2013
2. Done Revised Basic course in Medical education-2021
3. Done Basic course in Biomedical Research- 2021

**Examinership experience: UG/PG**

1. External examiner in-Saveetha University

TN Dr.MGR University, SRM University, Pondicherry University, Rajiv Gandhi University

2. Internal examiner in-SRIHER
