Ahmedabad

### MBBS / Smt. NHL. Municipal Medical College

Ahmedabad

### Higher Secondary Board / Shree Durga Higher Secondary School, Ahmedabad

Ahmedabad

---

## Projects

### A cross-sectional study to assess pharmacotherapeutic adherence, quality of life, and drug utilization pattern in patients of atopic dermatitis at a tertiary care teaching hospital / Narendra Modi Medical College

01 2021 - 12 2022

Ahmedabad

## Publications

1. Current updates on pharmacogenetics of hypertension – Journal of Cardiovascular Disease Research
2. Thrombotic thrombocytopenic purpura after vaccination against covid-19 – a case report – Asian Journal of Pharmaceutical and Clinical Research
3. A cost variation analysis of drugs prescribed for the treatment of rheumatoid arthritis – National Journal of Medical Research
4. Trimethoprim-sulfamethoxazole-induced aseptic meningitis: A rare presentation – Current Topics in Pharmacology
5. Clinical and endoscopic features of pill-induced esophagitis - International Journal of Basic & Clinical Pharmacology
6. A rare case of cerebellar toxicity after prolonged use of metronidazole: a case report - International Journal of Research in Medical Sciences
7. A study of assessing knowledge, attitude, and practice of materiovigilance among medical surgeons of Gujarat - National Journal of Physiology, Pharmacy, and Pharmacology
8. Evaluation of a drug utilization pattern and use of potentially inappropriate medications among geriatric patients admitted to a medical intensive care unit of a tertiary care teaching hospital

## Ongoing Research Studies

1. Evaluation of the drug utilization pattern among patients with atopic dermatitis
2. Evaluation of the medication adherence and quality of life in children with atopic dermatitis at a tertiary care teaching hospital
3. Central nervous system toxicities of metronidazole- A review
4. A study to evaluate the effect of patient counseling on the quality of life of patients with eczema

---

## Honors & Awards

1. 1st prize for paper presentation on “Evaluation of the medication adherence and quality of life in children with atopic dermatitis at a tertiary care teaching hospital” – IntPCON 2022, GMC Surat
2. 2nd prize for paper presentation on “Evaluation of the use of PIMs among geriatric patients admitted to a medical intensive care unit of a tertiary care teaching hospital” – Medical and Applied Toxicology 2022, APPI Gujarat State Branch
3. 2nd rank in inter-college model-making competition for medicos – Issued by Department of Anatomy, P.D.U. Government Medical College, Rajkot, March 2013

---

## Courses

1. Principles of Clinical Pharmacology – National Institutes of Health (NIH)
2. Introduction to the Principles and Practice of Clinical Research - National Institutes of Health (NIH)
3. Scientific Writing in Health Research - Indian Council of Medical Research (ICMR)
4. Good clinical practice - NIDA Clinical Trials Network
5. Basic Course in Biomedical Research – Indian Council of Medical Research (ICMR)
6. Professional Diploma in Clinical Research (PDCR) – Catalyst
7. Ethics Review of Health Research - Indian Council of Medical Research (ICMR)
8. Medical Writing for Healthcare Professionals - Udemy

9. A rare case of levofloxacin-induced fatal hypoglycemia in a non-diabetic patient with the review of literature

---

## Certificates

1. Paper presentation on "A study of assessing knowledge, attitude, and practice of materiovigilance among medical surgeons of Gujarat"- RACT 2022, SRM Centre For Clinical Trials & Research Department of Pharmacology, SRM MCH & RC in association with BIRAC & IPS
2. Paper presentation on "Evaluation of a drug utilization pattern and use of potentially inappropriate medications among geriatric patients admitted to a medical intensive care unit of a tertiary care teaching hospital" – 67th Annual National Conference of Association of Physiologists and Pharmacologists of India, APPICON 2021-22
3. Paper presentation on "Clinical and endoscopic features of pill-induced esophagitis" – Joint International Conference, 2022
4. Poster presentation on "Metronidazole-induced cerebellar ataxia – A rare case report" – Joint International Conference (JIC), 2021
5. Poster presentation on "A rare case of levofloxacin-induced fatal hypoglycemia in a non-diabetic patient" – E-poster competition, organized by Dr. Chandramma Dayananda Sagar Institute of Medical Education and Research

## Workshop/Conference

1. PHARMATECH – 2021, Seth G.S. Medical College & K.E.M. Hospital, Mumbai
  2. 6th Annual Sri Ramchandra Pharmacology Insight & Rapid Review Course – ASPIRE 2022, Sri Ramchandra Medical College & Research Institute, SRIHER, Chennai
  3. 16th Skill Development Programme on Pharmacovigilance for Medical Products – 2021, NCC-PvPI
  4. Workshop on Clinical Pharmacokinetics – 2022, Indian Pharmacological Society, Ahmedabad Chapter
  5. Pre-Clinical Pharmacology Workshop – 2022, L.M. College of Pharmacy, Ahmedabad
  6. Workshop on Basic Statistics – 2021, Sri Manakula Vinayagar Medical College & Hospital, Pondicherry
  7. National Conference on Regulatory Aspects in Clinical Trials: Global Outlook – 2022, SRM Centre for Clinical Trials & Research, Department of Pharmacology, SRM MCH & RC
  8. Conference on Pharmacogenomics: Basics to Advance – 2021, Medical Pharmacologist Society
  9. Joint International Conference – 2022, CIMS Hospital, Ahmedabad
-
