EDUCATION:

- Ed.D. Health, Physical Education, Recreation/Higher Education Administration - The University of Alabama, 1975
- M.A. Secondary Education/Educational Administration - Western Kentucky University, 1970
- B.A. General Studies/Teacher Education, Moravian College - 1965

Academic specialty areas include: Athletic Coaching, Athletic Administration and Management, Online Instruction, Higher Education Administration and Planning, Distance Education, Curriculum Design and Implementation, History, Social Sciences, Educational Statistics.

CAREER SUMMARY:

Full-Time Associate Professor of Sports Management - American Public University System, 2018 - Present

Assigned to teach: SPHE318 (Coaching Theory and Methodology), SPHE350 (Coaching Baseball Technical and Tactical Skills), SPHE379 (Contemporary and Social Issues in Sports), SPHE416 (Athletic Program Administration), SPHE417 (Leadership Concepts in Coaching), SPMT600 (Research Methods for Sports and Health Sciences), SPMT605 (Coaching Leadership), SPMT606 (Techniques in Coaching Strategy), SPMT620 (Leadership and Management in Sport).

Full-Time Associate Professor of History - American Public University System, 2008 - 2017

Assigned to teach: HIST101 (U.S. History to 1877), HIST102 (U.S. History Since 1877), HIST225 (History of West Virginia), HIST405 (Antebellum America), and HIST406 (Civil War and Reconstruction).

Adjunct Professor - American Public University System, 1997 - 2007

Instructed graduate and undergraduate students at a distance continuously at AMU in history and Civil War studies since 1997. Initially, courses were taught by print-based independent study and progressed to present online delivery. Developed six (6)

graduate Civil War courses “from scratch” and have received outstanding student satisfaction results. References from staff members at AMU available on request.

Independent Consultant - Accrediting Council for Independent Colleges and Schools (ACICS) - 2001 - 2014

Chaired over 50 educational accreditation audits to member schools with another 50 participating visits as team member specialist in Education, Distance Education, Business, and Student Services. ACICS is the largest private accrediting agency under the guidance and stipulations of the United States Department of Education.

Senior Vice President and Provost - Virginia College at Birmingham, January, 2000 – June 2007

The Senior Vice President and Provost is charged with the responsibility of creating and implementing new programs of study (and revising existing programs) within the framework of the institution’s mission and pedagogical goals and objectives. Specific products are to be developed by collaborative efforts with faculty members, academic and technological program directors, and community leaders in the field. These programs are diploma granting as well as associate, baccalaureate, and master’s degree completion. The Provost is the chief corporate educational officer and, as such, takes the lead in accreditation compliance, corporate-wide faculty development, oversight of all campus catalogs, and licensure documentation.

Associate Director/Distance Education - The University of Alabama, 1996-1999

Responsible for planning and implementing programs to facilitate instruction by five (5) distance education delivery methods: Videotape, Two-Way Interactive Video-Conferencing, Satellite Uplink/Downlink, Print-Based Asynchronous, and Web-Based Instruction. Program curricula reached over 8,000 students per school year. Supervised Criminal Justice Certificate Program delivered at a distance.

Assistant Director/Adult Student Office – The University of Alabama, 1994-1996

Directed the scheduling and advising of 4,000 adult students at The University of Alabama. Organization of the Adult Student Office also included negotiating strategies to award 45 Adult Student Scholarships from a corpus of \$250,000.

Educational/Academic Advisor (CAEL) – 1995-1999

Included the setting of standards for shift workers interested in increasing their academic credentials by enrolling in degree completion programs by distance learning. This consultant activity was completed under the auspices of the Council for Adult and Experiential Learning (CAEL).

Adjunct Faculty Status – Shelton State Community College, 1995 – 2000

Instructing community college students in Personal Health, a required, core curriculum course in Social Sciences.

Head Baseball Coach – The University of Alabama, 1979-1994

Planning, organizing and scheduling a complete intercollegiate, Division I college baseball program within a budget of over \$500,000. This included hiring staff, recruiting and educating student-athletes, scheduling contests, and setting standards for a top-of-the-line program in the best NCAA Division I baseball conference (SEC) in America. Currently ranked tenth (10th) among all SEC Baseball Coaches in all-time SEC victories (487). Selected as NCAA National Coach-of-the-Year by *Baseball America* in 1983.

Head Baseball Coach/Assistant Professor – Western Kentucky University, 1976-1979

Organized a competitive Division I college baseball program (1/2 time) while teaching a ½ load in the classroom (Biomechanics, Kinesiology, and Community Health).

Head Baseball Coach/Assistant Professor/Department Chair – Middle Georgia College, 1975-1976

Directed one of the best junior college baseball programs in America while teaching in and managing the Department of Health and Physical Education.

Graduate Assistant and Doctoral Candidate – The University of Alabama, 1973-1975

Completed requirements for terminal degree in education while assisting the baseball program and teaching two classes per term in the Department of Human Performance Studies.

High School Teacher/Head Football & Head Baseball Coach – Tampa Bay Vocational-Technical High School, 1965-1973

Managed six units of American History classes per day in addition to directing the football and baseball programs for a 6A high school in Tampa, FL.

Professional Baseball Player – Boston Red Sox & Cincinnati Reds, 1961-1965.
